GENERAL MANAGER'S MESSAGE

Reaching Out to The Community

Are you receiving important community updates? Heritage Hunt has many communication channels to keep you informed including The Horn, community website, Board and Committee meetings, bulletin boards, HHTV (channels 971/972) and e-mail blasts. The e-mail blasts are utilized for both updates and important announcements regarding services, outages, facility closings, construction traffic, maintenance issues, and other important announcements. If you are not signed up to receive e-mail blasts, please take a moment to sign up for them by completing the Heritage Hunt “Directory form” which can be found in “Forms” under the “HOA” drop down menu on the community website at www.heritagehunt.net or by contacting us at 703-743-2000, ext. 4. Once completed, submit to the front desk staff in person or by e-mail at lifestyle@heritagehunt.net and you’re all set!

If you are aware of an “After Hours HOA Common Area Emergency”, please call our after-hours emergency answering service at 855-477-2267.

To view activities currently scheduled within the community, please log in the community website at www.heritagehunt.net and click on “General Calendar” on the left side.

For updates of the day-to-day Management activities, monthly reports are shared on the community website by clicking on “HOA” and then selecting “On-Site Management Reports” on the left side.

To communicate regarding services provided by the Management Team:

AUGUST BOARD BRIEFS

We hope everyone is enjoying a great summer. We have had the hot weather but the smoke from Canadian fires sure added issues; still all in all summer 2023 has gone well. However, we will be moving into autumn within a few weeks and we need to start looking ahead to 2024.

We will start our annual search for Board and Committee volunteers within the next few weeks. We started off that process by printing in the July Horn, articles from the Board and the Committees describing what they do. The Board will also sponsor a Meet the Board, Meet the Committees session on Wednesday August 30 from 10 am – Noon in the Clubhouse Ballroom. This is a great way to meet and talk to current members and ask questions of them. Light refreshments will be served, so do save the date and plan to attend.

PWCSA’s new pump station construction goes well, as does the force main pipe work on Heritage Hunt Drive. We are all very aware that the force main work has created some traffic issues that Management has handled as quickly as possible. This month there will be a 2 day weekend closure of the front exit gate while pipe is laid in that area. All traffic will use the back gate to exit the community that weekend, which for now is set as 8/11- 8/12. PWCSA will use flagmen to direct traffic and more details will be forthcoming as the date gets closer. PWCSA has been very helpful through all of this and they do expect to conclude all work in 2024.

Speaking of the back gate, it is back in action again as an emergency gate after 2 very unfortunate incidents with a construction truck and then a fire truck hitting the gate. We have worked to correct gate opening timing issues that contributed to the accidents.

Also, we want to extend great thanks to the Facilities Committee for their month’s long efforts on the Clubhouse renovation. All those efforts have paid off with a great new look for the Clubhouse and with new upper level lobby furniture due in early fall. Most of the current furniture which is showing it’s age will be offered for sale. Details on that will be forthcoming as the new furniture arrives.

Again, we thank all residents for their patience and cooperation during the past few months. How 2023 started off was not what anyone planned, but as always Heritage Hunt residents, with our Management teams of CAMP and UTP, worked together and we made it through. No more “adventures” for 2023 would be great.

The following resolutions were approved at the 6/22 Board meeting. Due to Horn publishing dates they are appearing a month late. For quicker reference, just check the Board page on our Website as the minutes are posted within 2 weeks of the meetings.

• Approved the write off of $ 5,890.90 in no show events and disputed charges.
• Approved purchase of a firewall replacement for the Clubhouse and Marsh Mansion server.
• Approved a one year extension of the Christos Janitorial and Porterage contact.
• Approved a 3 year snow removal contract to Woodson Lawn Service.
• Approved a contract to Brother’s Paving for Phase 1 replacement of Asphalt trails.
• Approved revisions to Policy Resolution # 5 - Design Review Procedures and Guidelines.
• Approved revisions to the Design Guidelines, the Residential Maintenance Standards and the Design Review application form.
• Approved the creation of an RFP to hire a structural engineer to inspect the Fitness Center pool ceiling, attic above the ceiling, original dehumidification system and render a written report.
• Approved the purchase of new furniture for the newly renovated upper level Clubhouse lobby at a cost NTE $ 51,000 from Repair and Replacement Reserves.

Everyone stay safe and well

ARCHITECTURAL REVIEW COMMITTEE NEWS

HOW DO YOU KNOW IF YOU ARE GETTING A REPUTABLE SOLAR CONTRACTOR

There have been reports of folks going house-to-house selling solar in the community. First, if you didn’t specifically invite that tradesperson to come to Heritage Hunt they should not be here. This is the first “buyer beware” red flag. Don’t fall for the “your neighbor invited me so I thought I’d call on you” ploy.

So, if you want to investigate solar first, you need to find out if your prospective contractor is reputable. How do you do that?

Your first question should be “are they licensed to do business in Virginia?” You check that by seeing if the potential contractor has a Virginia State Contractors License. You can do this by looking at https://www.dpor.virginia.gov/LicenseLookup/. Pay close attention to the type of license that the contractor has. For example, one contractor that I interviewed has an entry in the state database that looks like the following:

Note that the contractor’s specialties are “Alternative Energy Systems and Commercial Improvement.” The words “Alternative Energy Systems” is the key. Another contractor who tried to sell me solar listed “Home Improvement” as their specialty – basically a handyman. I’m not knocking handymen – but for solar – I’d want a specialist.

Then you need to see if the contractor is licensed to work in Prince William County. Check out PWC’s “Hiring a Building Contract” web page at https://www.pwcva.gov/department/building-development-division/hiring-building-contractor

Then check to see that the contractor has liability and workman’s compensation insurance. I always look at the policy and call the insurance agent listed on it to see if it is still in force.

Sound like a lot of work? Think about what it would cost if your contractor defaults – how much would that cost you?

Remember, most reputable contractors do not mind your doing due diligence. If the salesperson is putting a lot of pressure on you to close then that is a big red flag.

EXPANDED COLOR PALETTE!

The Architectural Review Committee is pleased to announce an expanded palette of colors for front doors and shutters. After analyzing the existing palette, our team determined that there were sixteen Legacy Color selections from the original developers. To these, we added forty-seven new colors for a total of 63 choices available from Benjamin Moore & Sherwin-Williams. These paints can be purchased at their respective retail stores conveniently located less than 3 miles away. Sherwin-Williams is also available at Lowes and Benjamin Moore at ACE Hardware. Many painters also have accounts with these paint suppliers too.

We added more depth to the palette, with lighter, medium, and darker hues. Additional color “families” with enhanced selections in each have been introduced to the assortment. Yes, you can now have a white or yellow door!

This expansion provides added flexibility when updating the front of your home. For homes that do not have shutters, there are several bolder colors from which to choose. View the new Color Flowchart on www.heritagehunt.net or visit Marsh Mansion to explore the Color Boards.

Enjoy enhancing your home with these new selections!

Saturday, June 17, was the culmination of 9 weeks of regular season Bocce competition followed by 2 weekends of championship playoffs. The top 4 finishers of each of the 5 groups in the regular season advanced to the championship playoffs after winning the semifinal matches held on June 10.

All in all, we had another great season. 48 teams and 324 players participated. New friends were made and players enjoyed the lively competition.

The championship matches were the highlight of the season and featured 10 teams competing for the coveted title “2023 Official Spring Season Bocce Champion” along with the associated and greatly prized bragging rights.

Picture this: a large mosaic of brightly colored shirts and occasional cheers with shouts of elation as players make the perfect roll or secure the win of a match. Picture the Marsh Mansion with Bocce Courts lined with cheering spectators consisting of both friends and family, as well as interested passers-by. It was a joyful day for players and fans alike.

Here are the results of the “Finals” matches:
Group 1 Champions: Sixers (11-8, 11-3)
Rosemarie Barber (Captain), Bob Dodd, Greg Ellis, Gino LoConte, Jan Gonyaw, Gene Siruk, Ki Lee (Sub)

Group 1 Runners Up: Canto Di Trombo - Frank Maresca (Captain), Pat Ferraro, Rudy Ferraro, Carol Maresca, Vinny Velotta, Alec Winfrey, Terry Gonyaw (Sub)

Group 2 Champions: La Bocce Vida (11-7, 11-10)
Eileen Iammartino (Captain), Nick Iammartino, J. R. Shreiner, Bob Mansfield, Larry Barrett, Freddi Pribish, Bunny Barrett (Sub)

Group 2 Runners Up: New Kids on the Bocce - Tom Foy (Captain), Carol Foy, Ned Garber, Jerri Garber, Bruce Hamilton, Carol Hamilton, Lou Ann Battaglia (Sub)

Group 3 Champions: Happy Rollers (5-11, 11-6, 11-4) Pat Kennedy (Captain), Jim Kennedy, Cathy Kelly, Kathleen Stout, Keith Hafen, June Drew, Lionel Drew (Sub)

Group 3 Runners Up: Patriots - Pat Phillips (Captain,) Eydie Keener, Edna King, Dave Naeger, Janet Naeger, Karin Pryor

Group 4 Champions: Nutty Squirrels (7-11, 11-2, 11-5) Priscilla Williams (Captain), Harrison Williams, Steve Potock, Jeanne Andreoni, Terri Potock, Carol Kardash

Group 4 Runners Up: Dirty Half Dozen - Ann Boyle (Captain), Larry Boyle, Carol Retzlaff, Ruth Clark, Daniele Robbins, Ronald Wolfson

Group 5 Champions: Rawhides (5-11, 11-9, 11-9) Valerie Morris (Captain), Debby Kurylo, Mary Wells, Bob Wells, Glenn Kidder, Cecelia Brosnahan, David Morris (Sub)

Group 5 Runners Up: Goomballs Claudia Nystrom (Captain), David Nystrom, Rosanne Gorkowski, John Gorkowski, Vickie Smith, Cindy Gonzales

Congratulations to the winners!

Members who smoothed the way:
Championship Referees: Bob Dodd, Paul Cuddihy, John Patterson, Bill Daly, Dave Leveton

MIX N’ MINGLE

All residents are invited to this casual social gathering in the Clubhouse Blue Ridge Room, August 16th, 5:00-6:30 p.m. and we’re especially calling out to Newcomers to Heritage Hunt!

Get to know your neighbors, make new friends, and hear about activities in our wonderful community. Want to know more about bocce, pickleball or golf here in HH? What about the Little Theatre group? There are so many activities to enjoy here at HH and this is a great opportunity to either share your knowledge with a newcomer or to learn about them.

Drinks will be available for purchase with your HH account or a credit card. You can also join some of us afterwards for dinner at the Clubhouse restaurant...no reservations needed.

If you can’t make it this time, join us on the third Wednesday next month.

Questions? Contact Pam Moser

SOCIAL ACTIVITIES

COMMUNITY JULY 4TH WALK AROUND THE POND

Thank you to the 60+ people who came to walk together early on July 4th! Dressed in our red, white and blue, we celebrated the veteran heroes who told us where they were stationed and we sang patriotic songs accompanying Don McMillan, our wonderful resident trumpet player. As we walked around Tallyrand Pond we saw that some people had decorated their back decks and some had delicious snacks for us to try. The sun came out and it was a glorious beginning to the day!

BENSON-RICE STORYTELLERS COME TO HH!

On July 21, 1861, Private John L Rice with the 2nd New Hampshire Volunteer Infantry, was wounded and left by his comrades for dead as the Union troops retreated across Sudley Ford on The Bull Run. Local residents, Amos and Margaret Benson, found the young Private and nursed him back to health. Today, The Benson-Rice Storytellers share this story of reconciliation and compassion. Based upon true events that occurred both during and after The Civil War, this is a story of two men who, from opposite sides of the battlefield, fought for their respective 'countries'. United States Major General John Newton, however, may still harbor his doubts about the veracity of their story, as the recollections of this native Virginian, who remained loyal to the Union, weave in and out of the story.

CROSSROADS CONNECTION

There is a fine line between hunger and health. Students who are recipients of food from Crossroads have suffered from hunger. They have seen other kids reach into their backpacks and pull out a snack when their teacher provides a break to eat something. Before Crossroads was on the scene, these children had nothing; they just waited out the hunger pangs until the free lunch they were eligible for was served. They had limited food over a weekend and just waited out the hunger pangs until the Monday morning school breakfast was served.

Now that food is in such great demand, the Crossroads program received recognition for its steady outreach to the community to provide weekend and snack food in order to protect the health of our youngest citizens. Yes, food is vital to learning as young bodies depend on it. Just recently we received great news:

Crossroads was awarded grants by Sentara Healthcare and UVA Community Health!

These grants will enable Crossroads to increase its capacity to serve children, raise community awareness of food insecurity, and establish partnerships with health care providers. Both Sentara and UVA value organizations which underscore the effect of food on learning and healthy lifestyles. These grants will be awarded at the start of the school year 2023/24 with activities performed over the course of the year. We are thrilled to partner with these local health care organizations! Stay tuned for details as they are released on our website (www.crossroads-connection.org) and on our Facebook page—and of course, here in Heritage Hunt via The Horn.

Your donations still make up a large percentage of our funds. Grants represent only a piece of the total funding required to help our food insecure students. If you care to help with your time or your monetary contributions, please visit our website as shown in the text above. Thank you to all who make Crossroads the successful organization that it has become since its inception in 2010!

DATA CENTER WORK GROUP

Less than a month ago, most, if not all, Heritage Hunt residents received the first in a “series” of promised informative letters from the QTS Project Team regarding the Prince William Digital Gateway, ostensibly as their “commitment to transparency” and to “provide factual information.”

HH residents who have attended BOCS meetings for the last 18 months can attest that QTS has neither been transparent, hiding behind their Non-Disclosure Agreements with the County, or factual, witness the walk back of the promised $700 million in annual tax revenue, to name one.

From the very beginning, DCWG has had only one goal: to defeat the PWDG. The only way to mitigate incompatible zoning is by distance, according to the county-commissioned Stantec Report which recommends a minimum .5 mile for any Data Center from Manassas National Battlefield, and no Data Centers adjacent to residential, schools, or daycare unless adequate mitigating measures can be implemented. Yet, because the County has not studied or defined what “adequate mitigating measures” are, the residents of Village Place have the first of 4 Data Centers being built 100 feet from their property line. Soon to be joined by 6 additional Data Centers and a substation directly across Rt. 55.

The two elections this year have made clear that county and HH residents oppose the reckless proliferation of Data Centers. Your HOA Board of Directors and DCWG agree that QTS and Compass both have chosen the wrong location and should just move on.

**NEW FITNESS CLASS**

Do your muscles ever feel tight or sore? Do you feel like you have lost some of your range of motion in your joints? Starting August 1st, the Heritage Hunt Fitness Center will be offering a new Stretch & Mobility class, led by instructor Debbie Schlueter, where we will break up the knots in our muscles, restore our muscles to their proper length and regain lost range of motion. This class will be beneficial for any activity in which you participate including: pickleball, golf, hiking, bicycling, swimming, strength/cardiovascular training, gardening, or any other undertaking you enjoy. We spend so much time making our muscles work and not nearly enough time helping them recover properly. This class will rectify this and make your muscles and joints feel so much better. Also, once your muscles are restored to the proper length, and can use maximum force again, you are likely to see some improvement in your activities and sports.

Debbie Schlueter attained NASM’s Stretching and Flexibility Coach certification to prepare this new class for Heritage Hunt residents.

The class will include self myofascial release techniques to eliminate knots in muscle groups throughout the body. We will then utilize various stretching techniques to re-lengthen muscle groups. Lastly, we will incorporate stick mobility training to regain lost range of motion. Stick mobility training is the best fitness stretching aid according to Golf Digest.

This class will be offered on Tuesdays at 11:15 AM and Thursdays at 10:10 AM in Room A of the Fitness Center. Your first time trying this class will be free. You will need to be able to get down to the floor and back up to participate. Anyone with Osteoporosis, joint replacement or joint injuries should get approval from their doctor in advance. Attendance will be limited to 15 participants to ensure that we have adequate equipment. If you have questions about the class, feel free to text Debbie at 630-440-0608 or reach out to the Fitness Center Office at fitnesscenter@heritagehunt.net or 571-284-5477.
The Heritage Hunt Home Tour is a highly anticipated event that showcases a wide variety of homes throughout our spectacular community. This tour will provide you with a unique opportunity to explore different architectural styles and interior design trends. Each home offers a glimpse into the homeowners' personal style and attention to detail. Whether you are a design enthusiast, a prospective homeowner, or simply looking for inspiration, this tour promises to be a delightful and informative experience.

STAFFING UPDATE

Executive Chef, Jeff Stobo, has returned to us after a brief move to UTP in Haymarket. His passion for food centers around his classical French training and he is anxious to provide us with some new, tasty dishes. He also loves eating and preparing Sushi, a skill he learned while in San Francisco. Jeff’s work ethic is to do as he says and as he does. He is not afraid to pitch in wherever needed around the kitchen. He is a true team player.

Food and Beverage Director, Matt Heiss, a native of WDC, started working in the food industry while in high school as a means to get by. However, he soon realized how much he loved anything and everything relating to food. So, he found his calling early on and remains as enthusiastic now as he did from the start. His goal is to learn what our residents want and how he can deliver. He makes sure to always pay attention to details and the special needs of the patrons. A team player, Matt tries to motivate others by example.

Greetings, Gardeners!

Congrats to our Best in Show winner and all our ribbon winners in the Garden Show event held in July! Thank you to our judges and all the Garden Club members who helped to make this event possible. All of the entries were 1st Class quality and we hope you will all enter again the next time this event is held.

Summer is a busy time in the garden. The weather now is consistently warm and plantings are filling in and looking good. The emphasis has shifted from planting to maintaining and admiring and maybe considering what you may want to change. The heat can be a factor on many levels. Keeping the garden watered can be a challenge. A garden with native plants requires much less water as they are adapted to the local climate and soil conditions. Hummingbird feeders should be cleaned at least twice a week as hot weather can cause the nectar to spoil quickly. You can create your own nectar by dissolving 1 part sugar to 4 parts water and should be made without food color. A bird bath should be replenished with clean water every 2 days and cleaned out once a week with 1 part vinegar to 9 parts water. Skip the synthetic soaps and cleansers. They can strip the essential oils off a bird's feathers.

The heat may be encouraging the bugs to come out in force. Complaints of chiggers are on the rise. Dealing with chiggers is easier when you know more about them and how they behave. There are several misconceptions. When it comes to chiggers, there’s good news and bad news.

Starting with the good news: Contrary to popular belief, chiggers do not burrow into the skin, they do not feed on blood. More good news: chiggers do not carry disease, so their bites are not really harmful, unless the bites are scratched so hard that they become infected.

People think that chiggers are insects, but they are actually arachnids, like spiders and ticks. Adult chiggers do not bother humans—it’s only the larvae that bite. Chiggers can climb but are mostly found within a foot of the ground.

The bad news is that they are most active in temperatures between 77 and 86 degrees and are most active in the afternoon. However, they usually become inactive when the temperature drops below 60 degrees.

Pro tip: Don a pair of pantyhose or tights underneath your jeans or pants because chiggers can’t bite through this kind of fabric.

The best treatment for chigger bites is calamine lotion, also an ice pack to relieve swelling and irritation. An antihistamine can help with calming the itch. Other home remedies include witch hazel and Listerine. Here is a good homemade chigger repellent: Mix peppermint oil together with olive oil and swab on the skin which may be vulnerable to bites. Use enough peppermint oil so that the aroma is easily detectable. That is what will repel the bugs. Please do not treat the yard with insect repellent as it will also kill beneficial insects.

Stay cool and keep gardening!

Age-related changes often result in a loss of independence, like the ability to maintain a routine, complete certain tasks, or take care of ourselves. However, maintaining independence and exercising autonomy as much as possible is a vital part of mental and physical well-being. Here are some reasons why independence is so important as we get older.

- **Feel Like Themselves**
- **Contribute to Their Families & Society**
- **Maintain Sense of Purpose**
- **Boost Mental Health**
- **Provide a Sense of Control**
- **Sharpen Cognitive Skills**
- **Tone Muscles**

While independence and self-sufficiency are important for seniors, there are many age-related changes even circumstances that may threaten independence.

Approximately 15 years ago, a neighbor came by to ask me if I would be interested in joining a group called the “Giving Circle.” This lady was Marie Louden, a resident of Heritage Hunt. Marie and three others had modeled this Heritage Hunt club on a “giving circle” group in Reston. In 2008, the idea was for members to pledge $1 per day to build a purse of money that would be donated to local charities. These charities would apply for a grant to the “circle” requesting funds for specific purposes, usually food, clothing, or literacy.

In the first year two grants were awarded for a total of $1,000 donated by four members. By 2012, there were 26 members and over $9,000 donated to six local Prince William County charities. I was an early member and impressed by the willingness of people who wanted to help others, by working together to accumulate funds for worthy charities. Although memories are good to have, as Corrie ten Boom said, “Memories are the key not to the past, but to the future.” I am pleased to say that The Giving Circle of Heritage Hunt continues to have a very promising future.

Since 2012, donations have increased dramatically due to a greater awareness within the Heritage Hunt community of what The Giving Circle is and the difference we make in the lives of those in need. At the October 2022 Grant Awards Ceremony, grants were awarded to 13 different charities, for a total of $80,250, from our 178 members.

It is now projected that on October 26, 2023, at our next Grant Awards Ceremony, we will award grants totaling over $90,000! This increase is due to our continued growth in members, now at 185, and the many increases in personal pledges. As in the past, on October 26, all grants will be awarded to local charities in the categories of food, clothing, shelter, literacy, physical health, and mental health.

If you are not a member, but are interested in joining, contact Joanne Forrester at 703-743-2579 or jmbforrester@comcast.net. The process is easy, and you will quickly become an important part of this charitable and growing philanthropic group of men and women, right here in Heritage Hunt.

In closing, as many of you know, Heritage Hunt residents have been consistently generous to charitable causes over the past 20+ years of our community’s existence. In 2019, Heritage Hunt received the “Charitable Community of the Year” award by the Washington Metro Chapter of the Community Associations Institute. This was the fifth time we have received this award since 2002. I know that through The Giving Circle’s efforts we will continue to help many people in need and contribute in years ahead to our community’s recognition for its philanthropy.

JR. GOLF CLINIC

A STRIKING SUCCESS

Overcast skies and four days of threatening rain could not erase the sunny smiles nor dampen the enthusiastic spirit of the 30 junior golfers who participated in the golf clinic during the week of June 19. For two intensive days, the golfers worked to hone their golf skills from driving and iron shots on the range, to chipping, pitching and putting on the practice greens under the watchful tutelage of Head Pro John Yancy and Assistant Pros, Daniel and Danny. During group lunch on those days, Pro John schooled the golfers on the etiquette of play and knowledge of golf scoring and rules.

On day three, the golfers participated in a skills challenge and accumulated points by length of shots and inbounds hits on the range and by accuracy in chipping and putting to designated targets. Pro John also quizzed the golfers on rules of the game and etiquette (R&E). Final tally of the skill challenges scores confirmed that competition was close with Ryan, Andrew, and Ezra placing 1;2; and 3 respectively in Skills and Dylan, Nina, Andrew, and Sean tied for first in R&E in Group A. In Group B, Austin, Andrew, and Britta placed 1;2; and 3 in Skills, and Henry, Margaret, and Charles scored the highest in R&E. In Group C, Peter, Benjamin, and Cole placed 1;2; and 3 in Skills and Adalyn, Benjamin, and Cole, scored highest in R&E.

The remaining participating golfers - Dalton, Brooks, Riley, Clayton, James, Katelyn, Liam, Molly, Tristan, Daniel, Kathleen, Jack, Lucas, and Josephine - were all strong competitors who gave their best during the Skills challenge and R&E quiz. Everyone was a winner, though, making new friends and golfing on the fine HH course on the last day.

A special shout out to all the golf clinic volunteers and to the LSTV crew who shared their time and talents in making the junior golfers’ playing experience first rate. Hope to see everyone again next year. - Maureen Gilmore
GOLF COMMITTEE

GOLF ETIQUETTE: LET'S KEEP GOLF FUN FOR EVERYONE!

Most experienced golfers will tell you that they know all about Golf Etiquette, but I see violations of these basic principles almost every time that I play golf….and when it occurs, it invariably takes a little fun out of that round. Provided below are some of the basic Golf Etiquette tips. Don’t hesitate to remind your playing partners when you spot deviations from these principles.

1. Don’t dawdle – This, of course, refers to “Pace of Play”. Following behind a slow foursome is a pet peeve of almost all golfers…so try not to be one of those slow golfers!! Determine your distance and select your club before it is your turn to hit. And then play “Ready Golf”, as long as hitting your shot does not disturb another golfer’s address of the ball.

Looking for lost golf balls too long can drive other golfers crazy….abide by the new rule of 3 minutes for the search. And if you don’t find it (and it is likely out of bounds), the new Rules of Golf allow you to drop a ball on the edge of the fairway and add 2 strokes rather than having to take the time to re-hit the shot by going back to where you took the last stroke (i.e. stroke and distance penalty).

Help others find their errant shots. There should always be at least 2 pairs of eyes on each shot (or preferably 4). This can significantly shorten searches and speed up the game.

Move away from the green promptly after putting out. You can write down the scores when you get to the next tee box.

2. Clean up after yourself – Replace or fill divots in the fairway. Don’t leave a divot for the next group to land in (or repair). Repair your ball marks on the greens…better yet, if every golfer repaired 2 marks on every green, our greens would stay smooth for everyone! After hitting out of a sand bunker, take the time to rake….leave the sand in the same condition that you found it. Dispose of trash and smoking materials in the nearest trash can, not on the course.

3. Don’t be a distraction – Stand silently and out of the way when another golfer in your group is hitting their shot. Never stand in the line of play, either beyond the hole or directly behind the ball. Don’t drive up to the next tee when the group ahead is hitting….instead, move your cart away from the green you just played but stop far enough from the tee box not to disturb those teeing off. Don’t hit a ball into the group ahead of you…make sure that all golfers in the group ahead are beyond the distance that your ball will likely travel. And if you do hit an errant shot, yell “fore”, if there is any possibility that someone could be in the direction that the ball is headed. Finally, turn off your cell phone or set it on vibrate so as not to have it make noise in the middle of someone’s swing.

4. Follow all Golf Cart Rules – Never drive the cart on or near tee boxes, greens, bunkers, or water hazards. If a “90 degree rule” is in effect, this means that you should only leave the cart path towards your ball when a 90 degree turn would get you there. And if the rule of the day is CPO (Cart Path Only), this guidance should be followed religiously, because driving off of the path is likely to cause damage to fairways and rough.

Following these tips can go a long way toward keeping golf fun for all participants!

9 Hole/18 Hole Event
**HHWGA-18 LADIES OF LINKS NEWS**

Bzz . . . Bzz . . . members have been hum-buzzing busy bees as volunteers supporting HH golf sponsored activities.

At weekend tournaments, Bettie, Di, Mary, Bobbi, Adrienne, and Joan D have welcomed competitors as the golfers sign in. And once the golfers begin play, Bettie and Mary quickly change hats and move to the scorer’s table. When competitors submit their signed cards at the end of the round, Bettie reviews each card for accuracy. Often, Mary shares end of round responsibilities and reviews cards as a handicap committee member before the cards are given to John Yancy for official tally. The review by the ladies is critical to the integrity of the competition.

During the 4 days of the HH Junior Golf clinic in June, Mag, Libby, Lillian, Maureen, and Bettie shared their golf expertise and general good humor with the 30 golfers between ages 8 and 15 in the clinic. Young golfers often benefit from individual attention when honing their golf skills, and the ladies were able to provide this assistance in tandem with the primary golf instructors, Pro John Yancy and Assistant Pros Daniel and Danny.

The league’s volunteer social co-chairs, Sue and Joan D, encouraged the spirit of league friendship when hosting the annual golf social with 9-hole league members on June 16. Giving a fun twist to the day’s competition, there were 8 winning teams . . . and no losers. League member Cindy, however, won a longest drive contest and was the sole individual HHWGA-18 winner.

Despite Wednesday league play being interrupted twice over the past several weeks due to weather and to practice for the R/W/B(G) tournament, some members found themselves a new perch on the birdie tree. Teresa and Joan D. found hole 6 to their liking while Adrienne liked hole 18 for their respective birdies. Michele, the fourth birdie lady, claimed two perches with birdies on holes 10 and 11.

Aided by those two birdies, Michele vaulted up the Ringer Board to lower her score by 19 strokes just surpassing efforts of Sue and Becky in lowering their Ringer Board scores.

Check out the most current HHWGA-18 news at the league website. After accessing the www.heritagehunt.net site, click on Golf Central; then League; then Ladies 18 Hole.

**LADIES 9-HOLE LEAGUE**

Golfers, here at the mid-point of the summer, it seems a good time to review some of the rules of golf. The USGA has a poster "15 Rules of Golf Every Player Should Know", which is a good starting place. I have picked out three to summarize:

1) Playing the wrong ball: Playing the wrong golf ball is a two-stroke penalty in strokeplay. To avoid such a penalty, mark your ball clearly with distinctive personalized symbols.

2) On the Green: Once the ball comes to rest on the putting surface you may mark it with a coin, or disk, lift and clean it but remember to replace it in the exact spot. Golfers are now allowed to repair almost any damage on the green, except aeration holes, natural surface imperfections, or natural wear of the hole.

3) Out of Bounds or lost outside a penalty area: Knowing what to do when your ball sails out of bounds is crucial. A ball hit beyond the confines of the course (usually marked by white stakes) must be re-played from the original position adding a penalty of one stroke. If you believe a shot has gone OB or into a water hazard you may play a provisional and declare it. You now have three minutes (it used to be five minutes) to search for it and if indeed it is lost, continue with the
provisional and add a one stroke penalty. If your original is subsequently found in bounds or dry within three minutes of the point of search you must continue with the original ball.

Heritage Hunt also has a local rule as an alternative to Stroke and Distance (above) where the player may elect to take a two stroke penalty and bring the ball to the edge of the fairway from where the ball crossed the out of bounds markers or was lost.

You can find the poster and more information at this link:  https://www.usga.org/content/dam/usga/pdf/2019/rules/RulesPoster.pdf

And our GOW (Game of the Week winners for June are: Margaret Swinney, Sandra Tomlinson, Carol Denning, Ann Doyle, Pam McBride. Don’t forget to send photos for the website to lifestyle@heritagehunt.net  There is still time to join us on the course!

Welcome to the dog days of August! It’s hot and humid and most people are trying to stay in their air conditioned inside spaces right now. Some plants are in total agreement but there are a number of summer annuals that embrace the heat and are out there enhancing our community. I hope that you have been admiring them as you drive into Heritage Hunt. Last year some of our residents mentioned that they would prefer to see annuals with a little more color and I think you will admit that HLS has risen to the challenge and used a much more colorful variety of Begonia than last year. They have married these with some Lantana and some sun-loving Coleus to create a delightful and colorful display. Your Grounds Committee will be working with them this fall to come up with some suggestions for our summer annuals in 2024. If you have a favorite annual you would like us to include, please feel free to let us know. I can’t promise that we will include it as we have to work within our budget and our range of choice is also limited to what annuals can take the punishing heat of July and August and still look good with minimal maintenance. That said, I am happy for residents to feel they have a say in what makes our community look welcoming and loved. My email address is: scp211@aol.com.

Thank you to all of who have responded to my information regarding Crape Myrtle Bark Scale. Please continue to monitor the situation. Horticulturalists and Biological Chemists are working hard to find a cure for this horrible threat to our beloved Crape Myrtle trees. We must continue to do our bit to contain the disease. Instructions as to what to look for and actions to take are in the July Horn.

A word about trees in general:
Firstly, the Grounds Committee has received a number of requests recently to come to residents’ homes to cut back branches of trees which are planted in the common area behind their properties and which have grown so that some of the tree branches are now overhanging their property. I’m afraid that we cannot do this. We simply do not have the resources to prune or cull trees which do not pose a serious threat of danger to life, limb or property. However, you are legally allowed to prune back any branches of trees which are overhanging the boundary of your property if you so choose. Please be sure to use a reputable, licensed and insured Arborist, particularly if the tree is large.

Secondly, some trees which the builder planted 20 – 25 years ago are reaching the end of their life span. This is particularly true for Ornamental Cherry trees and Ornamental Plum trees. The Grounds Committee budget will not stretch to removing and replacing these trees. We need to concentrate our resources on areas of high visibility. However, you may apply to the ‘Donate-a-Tree’ program if the tree adjoins or impacts your property. If approved, you may then have the old tree removed by a licensed and insured arborist and replace it with your choice of ornamental tree.

Finally, we have had several complaints about the use of gas-powered leaf blowers in the community, due to the excessive noise and air pollution they create. The Grounds Committee would be interested to know if there would be general support from the residents for limiting the use of these blowers or requesting our landscapers to look into replacing them with the battery-operated ones which make less noise. Please email me at scp211@aol.com to let us know your feelings.

Have a great summer.

HOW DO YOU MEASURE SUCCESS

Want to begin by thanking the Heritage Hunt Ham Radio Club for allowing us to participate in their Field Day as we promote our Health and Safety activities. So how did we measure success? All four emergency generators worked great over the course of the event so we know they will be ready to support our emergency operations if needed.

Talking about emergencies, last month we said there would be a removal map for your use when there was an emergency with the front gate. Well, it is here, so you have two key actions to take now to be ready for an emergency.

First, add the T-Comm number into all your phones as “T-Comm Heritage Hunt” so you will know to answer this call to receive an immediate notification and guidance about an emergency.

Second, remove this Emergency Guidance and place in your vehicle or in your home with other emergency items. As shown by the title, this removal section (pages 35-38) provides Emergency Guidance on accessing Heritage Hunt’s back gate or leaving via this gate when the front gate is closed. As always, your cooperation during these emergency situations is critical. Do not endanger yourself or the safety of the first responders by going around or through barriers during emergencies.

We understand these situations can be very stressful, but your cooperation by limiting travel and following First Responder directions during these emergencies will be greatly appreciated.

You can reach the Emergency Preparedness Committee using the following email address: emergencypreparedness@heritagehunt.net

This is the phone number that will show on Caller ID for T-Communicator: 703-743-2016.

HH Front and Back Gate Use During Emergencies

- This page, the centerfold map, and “Emergency Guidelines at Heritage Hunt (on the back page of the map) contains important information for your safety and well-being during emergencies.
- **Please remove this map and place it in your vehicle or an easily accessible place in your home where you can easily find it.**
- When an emergency arises that affects the safety of our HH community, you will be informed first by the T-Communicator System (emergency telephone communication system which will automatically dial residents’ home and cell phone numbers). The message will announce that there is an emergency that could affect or has affected Heritage Hunt. The message will explain the nature and extent of the emergency and will advise the community what actions, if any, residents should take.
- PLEASE place “HH T-Communicator” in your List of Contacts (703-743-2016) so your phone will show the phone call is from T-Communicator.
- The T-Communicator message will be followed by E-Communicator emails that will supply more details and instructions to residents.
- Therefore, it is important that not only your home phone but your mobile numbers are in Resident Database so you can be reached at home or in your vehicle during an emergency.
- Your cooperation during emergencies is critical. Going around or through barriers placed to prevent entrance or exit through a gate or to closed-off roads not only endangers you, but also the safety of the first responders and interferes with rectifying the emergency. Your cooperation during these situations is greatly appreciated.
- If you are directed to use the Back Gate when you are in Heritage Hunt, proceed to the Back Gate which is at the west-end of Fieldstone Way (see the map for directions).
- If the Front Gate Entrance is closed and you are outside Heritage Hunt, you will be directed to enter Heritage Hunt via the Back Gate. Travel west on Heathcoat Boulevard and then turn right onto Catharpin Drive. The Back Gate is 1.2 miles from Heathcote/Catharpin intersection. See the directions on the map.
- Please Note: The Back Gate entrance/exit is designed for ONE WAY TRAFFIC. For your safety and the safety of other drivers entering or exiting HH follow the directions of the Security Guards and the PWC Police to prevent a collision.
The Back Gate is only available for Resident traffic during EMERGENCIES or when the Front Gate Exit is closed. Residents will receive notifications and instructions regarding alternate Gate Operations by E-Communicator emails or T-Communicator Phone Calls.

If the Front Gate is Closed – Proceed To the Back Gate Via CATHARPIN Road.
If the Front Gate is Closed – Proceed To the Back Gate Via Catharpin Road.

HERITAGE CHARITY CLASSIC

THE ANNUAL CANCER WALK IS BACK!

The 2023 Heritage Hunt Charity Classic Cancer Walk will occur on September 23rd at 8:00 am. This will be our 21st ANNIVERSARY EVENT. We have raised over $1.5 million dollars in our last 20 years. Last year we raised over $22,000 dollars from this one event.

We want to make our 21st anniversary even bigger and better. To do that we need your support. Registration forms are available in the clubhouse carousels or via email. Contact willardscott@comcast.net or 703-483-1915.

Register for $25 to get a T-shirt and you can walk, run, bike, or just contribute. Completed forms can be dropped off at the Front Desk with a check made payable to Heritage Charity Classic. The cancer walk is open to all, and over the years folks have invited their family members, co-workers, neighbors, and others. Come join us to walk, bike or run and share lots of great door prizes.

Contact Cancer Walk Chairman Ross Kerr at 860-508-0652 (cell) or 703-743-2367 (home) or rosker1943@gmail.com for more information.

Out of the Blue Seafood will donate a free appetizer (value of $17) to everyone that registers before August 7.

We are a 501(c)3 charity supporting the UVA Cancer Center in Lake Manassas. Your donations are tax deductible.

There is no one in this community that has not been touched by cancer in one way or another. The fight against cancer is a matter of life or death. Thanks to everyone for joining the fight this year.

HH LITTLE THEATER

Over the past twenty years Heritage Hunt Little Theater has presented over thirty plays, from dramas like Judgment at Nuremberg and Trip to Bountiful to comedies like The Odd Couple and Carol Burnett & Friends to Readers Theater classics like Love Letters. For every production we have depended on the hard work and creative skills of the LSTV members. They have provided sound effects like gun shots and bird chirps, lighting special effects, and wonderful images projected on the backstage wall. Their generous contribution of time and skill have enhanced every play we have presented.

In gratitude HHLT has presented a check of $2000 to LSTV to be used to replace auditory assist units as well as to help fund a new console at the back pf the Ballroom. Thank you, LSTV, for all you do.

Picture below shows LSTV members with HHLT members.

Looking toward the Fall Season, HHLT is proud to be producing our 37th play A Bench in the Sun. Set in a park outside a retirement community, the play revolves around two residents who meet daily to talk and socialize. The twosome’s relationship is significantly changed when an attractive former actress moves in. Come and see this very poignant and entertaining play which Mel Brooks called “wise, moving, and very funny.” Dates of the production are October 10 (7:00 pm), October 11 (2:00 pm), and October 12 (7:00).

Robert Pourciau joined LSTV in 2018 to keep busy in retirement. He and his wife, Janet, have been residents since 2015. They moved here to be near their daughter and they immediately started a Special Olympics bocce team. The reins have since been turned over to another coach. The highlight of this endeavor was growing the roster to six Northern Virginia teams competing at what came to be known as the Heritage Hunt “Bocce Battle.” Many residents coached, refereed, or scrimmaged against these athletes. Thanks to you all for the help!

He is the only Pourciau in VA (other than his wife and daughter). His last name is pronounced Pooh (as in the bear) – Show. Robert likes to cook Cajun and Creole dishes. That’s what happens when you help Mamma cook! When he was young, his family maintained an amazing yard filled with acres of flowers. That green thumb sprouted for Robert shortly after retiring; however, most of the plants are different here which makes learning even more interesting. There have been a few casualties though. On a high note, the climate is so much better here in his opinion and he now knows what it is like to have four seasons and no fire ants! BTW: The Pourciau’s want a White Christmas once in their lives.

In his teens, he was a radio DJ and put that aside to pursue an engineering career for 37 years. This love for music is another hobby that resurfaced from past experiences after retiring.

Robert received a bachelor’s degree in Petroleum Engineering from LSU. His career focused on the Gulf Coast area. He worked his way up the ladder to become a Distinguished Lecturer, author of many publications, and technical leader of complex deepwater operations. He was immersed in subjects like rock mechanics, materials science, computer simulations, metallurgy, fluid flow, and ballistics. This knowledge has been tapped by golf operations since they manage irrigation water supply wells.

The camaraderie and drive to learn is what keeps him going in LSTV. The new skills acquired in the past five years include video filming and editing, projector design, concert basics, and all things audio. Creating videos and still images for the stage wall have been exciting. They are used during concerts, holiday shows, and Little Theater performances.

You can see Robert in Heritage Hunt filming the What’s Cookin’ episodes and managing music events such as concerts and picnics. During Covid he initiated outdoor CRC Music Video nights on the Clubhouse Knoll since the building was closed. It was a blast under the stars except for that first night when the sprinkler system gave us and our equipment a good soakin’.

Robert’s LSTV skills have been learned from other team members and the internet. He loves to find ways to use existing equipment in new ways to expand LSTV’s capabilities. He’s enjoyed teaming up with fellow members to do this and to grow the skills of new members.

HH PHOTOGRAPHY CLUB

THE PHOTO CLUB PICNIC

While HHPC is organized around our interest in photography, we, like all HH clubs are also a social organization. We held our Year-End Picnic & Cookout on Thursday, June 15th at Nokesville Park.

If you enjoy taking, processing and viewing photos, please join us in September and enjoy photography. Our meetings are scheduled in the Horn.

Gathered 'neath the Nokesville green,
The HHPC convene,
Their cameras standing tall and proud,
Awaiting sights to be seen.
The picnic tables, laden with treats,
Are soon forgotten, for their seats
Are taken up with eager eyes,
Peering through lenses - keen and wise.
With click of button and flash of light
HHPC capture the sight,
Of friends and nature, still and free,
Preserving memories for eternity.
As the sun sets on this wondrous day,
The photographers pack up and away,
Their cameras filled with stories told,
Of the beauty they beheld and behold.
For to capture the world through a lens,
Is to see it anew, with fresh friends,
And so the photographers leave this place,
With enriched hearts and smiling face.

HH PICKLEBALL CLUB

Meet Dick Mehl. Dick and his wife, Adrienne, moved to Heritage Hunt 22 years ago after relocating from Reston. The beautiful home designs, landscaping, extensive list of amenities and especially the golf course were a major draw. Dick and Adrienne's shared families include four children and 8 grandchildren.

After a brief stint in the US Navy, Dick worked in both government and the private sector. He spent 27 years as a Project Manager with the Department of Energy engaging in scientific research, uranium enrichment and the construction and/or expansion of large scientific facilities. One of his projects involved using high powered lasers, which recently have been used to achieve nuclear fusion to enrich uranium.

For 30 years, Dick and Adrienne belonged to a square dance club in Sterling where they met people from all over the US. As a subset of their square dance club, they had a camping club where they camped on Friday, went biking or hiking on Saturday, followed by a square dance on Saturday night. They still meet regularly with their square dance pals. As avid bikers, they have biked most of the popular trails in the area. Both share a love of hiking and regular day hikes have found them on the most popular trails in Shenandoah National Park and Bull Run Mountain. Most notably, in 1998, with a group of friends, they trekked the Inca Trail to Machu Picchu topping out at just under 14,000 feet. In 2000, they trekked 10 days in the Himalayas to "nowhere in particular", topping out at 15,000 feet.

Prior to retiring, Dick and Adrienne purchased a 33-foot motorhome and over the years managed to visit nearly every National Park in America and a few in Canada. They enjoyed their motor-homing
for twelve years. Via camping experiences, Dick has developed an interest in bird watching and over the past 20 years he has acquired an extensive list of bird species he has seen. In fact, Dick just returned from a bird-watching trip to Southeastern Arizona in May 2023.

One of the primary reasons for moving to HH was the golfing. Dick currently plays two days a week. Early evenings on Tuesday will find Dick shooting pool with the regular gang at Marsh Mansion.

Dick was first introduced to pickleball in Florida while vacationing during the winter months. He picked up his first paddle in HH about 6 years ago. He currently rides his bike to the courts and plays, on average, 2-3 per week. Dick competed and medaled in the Northern Virginia Senior Pickleball Championships. Dick's parting comments: "You make friends quickly when playing PB. You get to play with all kinds of people at all skill levels. A typical game lasts only 10 to 15 minutes, after which you pair up with another group and play another game. You quickly meet lots of people and soon forget whether you have won or lost. The pleasure is in playing games with everyone in the group."

See you on the courts!

Kathy Riley

Richard Grant Winchell Corbett “Dick” of Gainesville, Virginia passed away on May 5th, 2023 with family by his side. Dick was born in Plainfield, NJ on May 6th, 1930, the son of Clifford and Vira Corbett.

Dick attended Wayland College (prep school) in Bever Dam, Wisconsin and then finished high school at Mount Royal Junior College in Calgary, Alberta, Canada. He graduated from Carlton College, Northfield, MN in 1953 with a B.A. in mathematics.

Dick joined the Air Force achieving the rank of Captain through his active and reserve duty. In his early Air Force years, he enjoyed the meteorology program at the University of Chicago for a year and then became a weather officer for the next three years forecasting upper air winds for overseas flights going out of McGuire Air Force Base. Dick was employed as a systems engineer for 30 years, 26 of them with Univac (now Unisys) followed by two years with PRC.

Dick married Margaret Carpenter in 1996. In 2004, Margaret and Dick moved from Fairfax Station, VA to the Heritage Hunt community. Dick enjoyed his Bible study group and Romeos (retired old men eating out). He was also a member of the American Legion and Elks Club. Dick loved to give back to others. His volunteer work included tutoring high school math students, Meals on Wheels and private tutoring through the Catholic Charities.

Dick was predeceased by his parents Clifford & Vira Corbett, his sister Frances Corbett and his brother Clifton Corbett. Dick is survived by his wife Margaret, and his three children Solvey (Mike), Richard (Veronica), and Joann (Jim) from his first marriage to Carol Meyer. He is also survived by six grandchildren, and eight step-grandchildren.

Ray was born on January 29, 1940 to Frank and Mary Keenan of Brooklyn, NY. As a child, Ray was an avid baseball player, and a fan of the Brooklyn Dodgers. This interest carried through to his early professional days, as baseball turned to playing softball on various work-related teams. As an early teen, the family moved to Hawthorne, NJ, where he graduated in 1956 from Don Bosco High School in Ramsay, NJ. He then attended Fordham University, and graduated in 1960 with a degree in political science.

He met his wife Carol while living in Hawthorne, NJ and shortly after graduating college they married on April, 8, 1961 and were happily married for 62 long years of sharing joys and sorrows until Ray’s last breath.

Ray had a long career as a manager and executive with the Internal Revenue Service, starting in 1961, until his retirement in 1994. His career moved him and his family from New Jersey, to Pittsburgh, PA, back to New Jersey, to Bucks County, PA, Memphis, TN, and lastly to Alexandria, VA.

Upon retirement, Ray enjoyed spending time on his boat, and visiting various parts of the Chesapeake Bay. Ray always had an interest in being on the water; it was the driver behind the various trips and cruises Ray and Carol enjoyed together during their early retirement years.

In 1999, Ray and Carol moved to the Heritage Hunt community where he enjoyed being part of the bowling league, attending events with the New York club and other neighbors, as well as taking long walks in the neighborhood. He was also frequently on the Heritage Hunt golf course with neighbors and enjoyed being part of the mens golf league. Ray also had many chances to play golf with his sons and son-in-law, an interest they

Harry was born in Miami, FL on Nov 10, 1935 and grew up in Forsyth GA. He attended Georgia Tech, Atlanta, GA and Stetson University, Deland, FL. He enlisted in the Navy in Jan 1958. He was commissioned an Ensign and designated a Naval Aviator through the NAVCAD program in 1959.

Harry’s first tour of duty was with HU-2 at NAS Lakehurst. In 1962 he served as a flight instructor at NAS Whiting Field, Milton Florida. In 1965 he reported to HS-3 NAS Norfolk, VA. He participated in the Gemini II recovery on board the USS GUAM in 1966. His career included service aboard numerous East Coast aircraft carriers. He was Commanding Officer, Helicopter Combat Support Squadron Two in Jacksonville, FL. His last tour of duty was in the Naval Air Systems Command, Crystal City, VA as Deputy Program Manager for the H-1/H-2 Helicopter Project. His decorations include the Distinguished Service Medal, Meritorious Service Medal, and National Defense Medal.

He settled in Northern Virginia after retiring from the Navy in 1979 with 22 ½ years of service. He was a program manager for BAE Systems, formerly TRACOR, a Washington DC Defense Contractor until 1996. In retirement he volunteered at INOVA Fair Oaks and NOVANT Haymarket Hospitals.

Harry’s hobbies included bowling, where he met Pat who later became his wife. He enjoyed country western dancing, the Redskins, and traveling to the Caribbean.

Harry and Pat put up flags on mailboxes for patriotic holidays on Charismatic Way and Majestic Prince Loop for a number of years.

Harry was mentioned in John Kelly’s Washington column in the Washington Post in January 2020. In 2013, he received a message on the answering machine from a Navy officer, that a sword with Harry’s name engraved on it, was listed on eBay. He received it in 1959 when commissioned into the Navy. It disappeared in one of his moves in the 1970’s. After several e-mail exchanges, the seller agreed to sell it to Harry before anyone else bid. The seller also stated he was selling items for a client to benefit Wounded Warriors. The sword arrived in great condition, was framed and hung in Harry’s “man cave”.

Survivors include his wife of 41 years, Patricia Denny Dews, two children from his first marriage that reside in North Carolina, three grandchildren and a great granddaughter.

Services will be at a later date in the Fort Myer Old Post Chapel with inurnment to follow with full military honors in Arlington National Cemetery.

William R. Reise (Bill)

Bill Reise of Gainesville, VA passed away on June 12 at his home. He was born November 24, 1929, in Milwaukee, WI. to George and Grace Reise. He was preceded in death by his first wife Grace Johnson Reise and his second wife Dolores Ellis Reise. He is survived by: his four sons Richard (Victoria), Thomas (Janet), James (Mary) and Robert; daughter Linda Brainard (Robert); grandchildren Patrick, Ryan and Connor Brainard; brother Thomas; and a host of cousins, nieces and other relatives.

Bill graduated from Bayview High School in Milwaukee, WI. After graduation he attended the University of Wisconsin-Madison where he earned a Bachelor’s Degree in Geology. After graduation he served in the U.S. Army. After serving in the Army, he returned to the University of Wisconsin and earned a Master’s Degree in Business Administration.

With his MBA, Bill and his family moved to Maryland for him to take a job at the U.S. Department of Labor. He had a long and distinguished career at the Labor Department. He was serving as the Department’s Comptroller when he retired in 1995.

Bill’s passions were fishing and hanging out at the Family’s condominium in Ocean City, Maryland. He enjoyed playing bridge, sheepshead and poker with his friends and family. In retirement he would spend hours on end putting jigsaw puzzles together. Visitors to his house would often be recruited to help.

Bill was very active in retirement and traveled extensively. He always had lots of photos to share with the family when he returned home. During his retirement he took up bicycling, bowling, golf and even gave rollerblading a go.

In lieu of flowers please make a contribution to the Chesapeake Bay Foundation or a charity of your choice. Interment was at Norbeck Memorial Park, Olney, MD, following services, that were held on June 27, 2023 in Silver Spring, MD.
Thank You

The Heritage Hunt Pickleball Club, on behalf of House of Mercy, would like to thank the entire Heritage Hunt Community for being so generous with your time and treasure to make the May 11th community-wide food drive a success. The residents of Heritage Hunt once again have shown how charitable they can be when it comes to helping those in need. A special thanks goes out to the selfless group of volunteers made up of Heritage Hunt Pickleball Club players and friends that ensured that the four hour donation process at the Marsh Mansion went flawlessly. House of Mercy was thrilled with the 2047 lbs. of food and $3318 that we delivered to their Director, Jessica Root. The food any money donated will provide much needed food to feed the 2500 food insecure House of Mercy clients. That’s why they REALLY APPRECIATE the Heritage Hunt Community so much!

If you wanted to donate and couldn’t make it on the 11th please feel free to deliver your food or monetary donation to 13955 Real Quite Court in HH. There’s a storage box, used to collect empty egg cartons year round for HOM, on the porch for contactless drop off. It is checked frequently. These additional donations would help House of Mercy continue to serve their food insecure clients.

THANKS AGAIN!!

HH CHAPTER OF THE AMERICAN WINE SOCIETY

August 21st – Sunny Spain and Its Wines

“We are all mortal until the first kiss and the second glass of wine.” Eduardo Galeano

“A real friend knows when to listen, when to stop listening, when to talk, when to stop talking, when to pour wine, and when to stop pouring and just hand over the bottle.” Anonymous

The Heritage Hunt Wine Club pursues the mission of sharing quality wines, and presenting vineyards, wineries, and winemakers from around the world. Whether you are new to wine or an experienced oenophile, you will be at home at our wine-tasting events.

Here is a piece of wine trivia with which you may not be familiar. There are two Red Wine Days each year. One of those is in August (August 28th to be precise). It was created in 2013 by wine-lover and freelance writer, Jace Shoemaker-Galloway. Being aware that there was already a Red Wine Day in October (October 15th specifically), he felt that red wine should be celebrated in the summer as well as the winter.

Walsh Family Vineyards presented wines at the June meeting, and it was a big success if the number of bottles (79) ordered by attendees (60) was any indication. If you did not have the opportunity to attend, consider visiting this winery in Purcellville, VA.

For August, we will have a special presentation of wines from Spain by Kysela. A Cava from Penedes will start followed by an Albarino from Rias Baixas, a fruity verdjo from Rueda, a Mencia from Bierzo, a Ribera Del Duero, and a Gran Reserva Rioja. As a dessert wine, a PX Sherry from Jerez. This should be an outstanding session, so plan on attending. Look for the e-mail with the Cheddar Up QR code starting around the first of August. Make sure to sign up before August 14th.

If you are not yet a member of the American Wine Society you might want to know that AWS is offering half-year memberships through September 30th. It is only available to new members and can be purchased on their website. They are offering individual and household memberships for $35 that expire on December 31st.

NOTE: I have been authoring these articles for the “Heritage Horn” for almost 6 years. I am afraid that I have run out of good ideas on what to write (some would say I ran out of good ideas YEARS ago). Anyway, the club needs a new scribe. Duties include writing this article, drafting the input for the poster in the Clubhouse lobby, and occasionally submitting a brief piece (NMT 14 lines) to the American Wine Society for publication. Please let me know if you would like to assume these duties, and I will be happy to show you how to make it happen. It is a great way to get involved with club activities. Contact me at my e-mail address: rshelton72@verizon.net

Just a reminder that for all club business, please use our e-mail address:
HeritageHuntWineClub@gmail.com

To join the Heritage Hunt Wine Club and to be added to our mailing list, please send an e-mail to the above club address. Guests may attend up to three meeting (with a few exclusions), and then must join the American Wine Society (Americanwinesociety.org), which has other associated benefits, to continue attending the monthly meetings.

It’s August and the hot weather is finally with us. I always enjoyed this month when I was a young girl because I knew I had one more month to really embrace and enjoy my summer vacation before returning to school. I spent many of my wonderful summer vacations at our home in Dennisport, about 8 miles from Hyannis in Cape Cod. Even my son, Adam, has fun memories of summer vacations at the “Cape” both with me and with my fabulous parents.

NEW HHWO BOARD OFFICERS

The election of our new officers for 2023-2024 was held at our June meeting. Patti Gruene is our President. Karen Grinnon and Phyllis Lollobrigido are the Co-1st Vice Presidents. Jane Alger and Rosemary Wright are the Co-2nd Vice Presidents. Amy Howard is the Treasurer. Karen Crandlemire and Mary Ellen Conley are the Co-Secretaries.

FUNDRAISING & SPECIAL PROJECTS REPORT

During HHWO’s June meeting, the Fundraising and Special Projects Committee conducted a fundraising drive for the Haymarket Regional Food Pantry. This fundraising event exceeded all expectations! The support and generosity of HHWO easily surpassed last year’s proceeds by raising $4,367. These funds will help to provide food for needy families in our area.

SEPTEMBER 12th PROGRAM

At our first meeting of 2023, we will showcase the dynamic and exciting Nen Daiko, a drumming ensemble that has been entertaining audiences throughout the DC Metropolitan area since 1994, including at the National Cherry Blossom Festival, the Kennedy Center for the Performing Arts, and the National Building Museum, just to name a few. Their kumi daiko illustrates the energy and athleticism that this musical form requires. These Taiko drums and percussion instruments have been performed in Japanese military marches, festival events, and religious ceremonies since the 5th century C.E. This September program is not to be missed!

MARK YOUR CALENDARS!!!

The 2023-2024 HHWO Membership Pre-registration is scheduled in the Clubhouse Mt. View Room for Tuesday, August 1st from 9-11am, and on Thursday, August 17th from 1-3 pm. We hope to see you there!

**GOTTA DANCE** is a bi-monthly Saturday dance class that runs from September to June. We meet in the Fitness Center or Clubhouse Ballroom, from 4-5pm. Classes are taught by a professional instructor and include the following: Night Club Two-Step, Cha Cha, Rumba, Waltz, El Paso, Two-Step, East and West Coast Swing. Get your groove on and come join us for improved flexibility, stamina, grace and a good time! Singles and partners of all dance levels are welcome. Contact Maureen Erickson at 928-830-2129 or maureen.erickson@yahoo.com

**GOURMET COTERIE (GOCO)** provides residents who love any aspect of food—cooking, eating, learning, discussing, or dreaming about it—the opportunity to meet with an exclusive group dedicated to fine food and drink. Activities include education, sharing recipes, field trips, tastings, knowledge-sharing, dining in, and dining out. We meet on the 3rd Friday each month, January through June and September through November at 10 AM in the Great Oak Ballroom. See the HH website / Clubs and Activities / Gourmet Coterie or call Joan Picarelli 703-743-9940 joanpicarelli@hotmail.com.

**GREEN NEIGHBORHOOD GROUP**’s purpose is to focus on environmental issues that affect HH residents, present and future, such as solar power, recycling, and storm water pond management. We welcome ideas and comments for future programs from all residents. Contact Joan at brooklynjoan@comcast.net or Kathy at kvergano@aol.com.

**HAND AND FOOT PLAYERS** is a "Canasta" like card game played individually or in partners. We meet every Tuesday night at 7:00 PM in the Marsh Mansion Living Room. Both men and women are welcome. If you want to join us, simply come at the listed time and place. Contact Ron Page 703-409-7860 or pagegolfer@comcast.net.

**HH B TEAM** is one of 20 clubs in the Northern Virginia Men’s B Team League (https://sites.google.com/site/novabteam/home). A 12-man team (handicaps 6 to 16) is selected to participate in each of eight matches, which are played on a Saturday or Sunday between April and August. Six players play at home and six play at the opposing club on the same day. The day’s events include lunch served on the course during the tournament. Qualified members are asked to contact Steve Burton, data analyst, 703-743-1018 or eburton01@comcast.net.

**HH CAR CLUB** The monthly Heritage Hunt Car Club meetings are held from 5:30-6:30pm on the 2nd Thursday of each month in the Clubhouse Mountain View Room. These monthly meetings are also held from March through September. From old to new, whatever revs your engine and brings out the spirit of cruising in your vintage or late model car or truck. All makes and models are welcome! We are looking for you to hit the road and enjoy the ride with fellow auto enthusiasts. We hold no one to any commitments, just be part of an environment of fun and casual conversation, activities and events. Contact Mark Hopkins mhopkin@comcast.net 571-334-3071 or Doug Vark dougvark@comcast.net 703-303-8886.

**HH CAREGIVERS GROUP** is to support those who are caring for a loved one with Alzheimers or other related dementia. Meets the first Friday of each month at the Marsh Mansion Garden Room at 10:00 AM-11:30 AM.

**HH CHAPTER OF THE AMERICAN WINE SOCIETY** meets on the 3rd Monday each month (except December) at 7 PM in the Clubhouse Ballroom. Learn about wine-making and wineries. Socialize. Expert or just starting, this club is for you. For information, please contact the club at HeritageHuntWineClub@gmail.com.

Events are open to all residents and their guests. Use the HHC's ivory colored reservation form located at the front desk. One show per form. Call Mary Scott at 703-743-5409.

> **HH CROCHETERS** meet every Wednesday from 12:30 PM - 3 PM in the Craft Room. Our on-going projects are making blankets, hats and scarves for Veterans, Project Linus and several homeless shelters in the area. Personal projects are also welcome. Call Annette Johnson at 703-743-5181.

> **HH GRIEF GROUP** is to support those who have lost a son or daughter. Meets the second Wednesday of each month at Marsh Mansion in the Garden Room, 10:30 AM-12:00 PM.

> **HH HAMS (HHH)** is a group of amateur radio enthusiasts that meets the third Tuesday of each month (except December). We meet at 7 PM in the Parlor room of Marsh Mansion. Meetings are typically a brief business session followed by a presentation of ham radio related topics. Members also have weekly on-the-air meet-ings. Ask for details. We regularly take part in national ham radio operating activities and local emergency prepared-ness exercises. Amateur radio classes and testing are conducted as interest dictates. Contact Don Eaton at 571-248-2489.

> **HH HIGH STEPPERS** meets on Tues & Thurs 1 PM - 3:30 PM in the Fitness Center. HH High Steppers provide entertainment for HH Events, Senior Communities, and Community Centers throughout Fairfax, Prince William, and Fauquier Counties. The Group performs all year and at many different venues. It is our way of giving back to our wonderful community. Contact Anthony Gatto, anthony.gatto@comcast.net or Sue Anderson, onegreyhoundlover@yahoo.com.

> **HH HIKING GROUP** provides an organized forum for HH residents who enjoy hiking. Hikes are usually scheduled twice monthly to locations in the NoVa and Piedmont area. We try to vary the location and difficulty of the hikes so that people of different hiking abilities can participate. To be added to the HH Hiking Club email list, please email Pat Thompson at pthompson892@gmail.com.

> **HH LADIES 9-HOLE HOLE GOLF LEAGUE** plays every Wednesday from April through October. We are assigned times starting at 8:30 AM and alternate starts on the front and back nine. We welcome new members and encourage you to join. Contact Lois Page, President, loismpage@comcast.net or Sheila Antonelli, Secretary, santonelli350@gmail.com for more information.

> **HH LITTLE THEATER (HHLT)** is dedicated to the promotion of theater arts through the production of plays, the support of local theaters and theater students, the enhancement of our own theater craft, and the entertainment of our community. Regardless of your skills and talent there is a place for you in HHLT from acting and directing and backstage support, to the technical side of theater. We meet monthly except in August and December and produce two plays a year. Contact Valerie Morris, Membership Chair, at taftmorris@aol.com or 571-447-0978.

> **HH MEN'S BILLIARDS CLUB** members gather every Tuesday evening at 6:30 PM in the Marsh Mansion Game Room to play eight ball with relaxed rules so that all may participate and enjoy the action and comradery. Join us to enjoy the friendly competition. Contact Dick Mehl at mehlad@comcast.net or 703-743-5579.

> **HH MOTORCYCLE ENTHUSIAST CLUB** meets at 5 PM the 3rd Thursday of the month in the CH Board Room. From 2 wheels or 3 wheels, what-ever revs your engine and brings out the spirit of riding a motorcycle. Looking for you to hit the road and enjoy the ride. No commitments, just to be part of an environment for fun and casual conversation. Contact either Ron Grabowski 203-767-6083 / ronel5673@aol.com or Rob Lillard 610-209-2373 / robert.e.lillard@gmail.com.

▶ LIBRARY COMMITTEE sorts and shelves donated books. Please remember to sign out and sign in your borrowed books and only borrow up to five books at one time. Large-print books are available in the closet at the back of the Clubhouse library. Leave donations on the lower shelf of the book cart in the Library. Only fiction and non-fiction books concentrating in biography, current affairs, and history published since 2012. Questions call Annette at 703-743-5181.

▶ LINE DANCING meets every Tuesday, September through June, from 5-6 PM in the Fitness Center Aerobics Room. Open dance with some instruction provided. No experience necessary. Please come and join our fun, enthusiastic group of dancers. Contact Lynn Staymates at lcstaymates@gmail.com or Lynn Levvis at blevvis@comcast.net.

▶ LSTV (LIGHTS, SOUND, TELEVISION) COMMITTEE meets every Monday from 9:30-11:00 AM in the Mt View Room. We review the upcoming schedule for the next 2 weeks for routine events and make sure we have qualified volunteers to cover those events for our community. We have a longer advanced planning timeline for more complex support for Little Theater, Concerts, etc. We discuss any challenges or issues experienced in the last week. We may also provide some training during this time. Please join us to learn more! Contact Larry Alger at lalger@comcast.net.
