"Natalie McArtor and her team did an excellent job selling our home. The staging our home was worth every penny. We netted tens of thousands of dollars more than we imagined. We were most happy with the way Natalie responded to our requests for information and the manner in which she handled every problem that arose. We were surprised with the depth of her team from getting the place cleaned and presentable to the rapid answers to all of our financial questions. It has been a great pleasure to have her sell our home." -Pat and Paul Marchesseault

## SEPTEMBER BOARD BRIEFS

Here comes September and as we move into fall there is much going on (as usual) at Heritage Hunt. Two notable events are the Community Yard Sale the weekend of 9/7- 9/8 and then the Heritage Charity Classic Cancer Walk on 9/28. In between we will see the closing of the outdoor pool but the opening of the newly re-grassed golf course.

The Board, with the assistance of the Golf Committee, has been reviewing proposals from 5 Golf Course firms. There will be an Executive Session with the finalists on September 9th, with the Board determining who gets the contract by September 13th. The firm selected will start at Heritage Hunt 01/01/25. In the meantime, the current vendor UTP is monitoring the new re-grassing and running our Pro shop and Golf Course. A grand reopening is planned in September and more details will follow. This will be a great fun event for the community and an opportunity for current non-golfers to consider the game.

Our Food Service vendor CulinArt has been here almost 3 months and what a difference in that amenity. The new menus are really great and the restaurant can get rather full many nights so make those reservations or use our popular curbside option. We do plan that both of our Club Service vendors will coordinate on many events for community enjoyment .

And speaking of Community and Prince William Water (PWW), the Board does meet with them at least once a month and our General Manager nearly every day. PWW is very much aware that their timing has gone over what was expected, especially as they did the needed work on Golf Course Hole #14 as well as the 24" force main line on Heritage Hunt Drive. They did work to make that time up and are now finishing the new pump station, adding landscaping and setting up punch lists of what needs to get done/finished and when. We will continue to update the community as we get more exact dates.

September is also the start of the "election" season here at Heritage Hunt. We were very pleased with the turnout at the Meet the Board, Meet the Committees on August 30. We certainly hope the interest we had at the meeting carries over

into Declaration of Candidacy which starts Sept. 9th and ends October 11th. We will have a Meet the Candidates session on Friday, November 1 at 10 am as voting will start on Monday, November 4th and end at 5 pm at the Annual meeting Tuesday, December 3rd. **WE NEED VOLUNTEERS! WE NEED YOUR EXPERTISE! HELP US LIVE- PLAY- THRIVE** at Heritage Hunt.

The following resolutions were reviewed at the 7/25 Board meeting. However, due to Horn publication dates, they are appearing here a month late. For a fast review, go to the website and read the meeting minutes that will be there within 2 weeks of the meeting.

- Approved revisions as modified to Policy Resolution #8 - use of Lots, Dwelling Units and Common Areas \*see note below for synopsis of revisions
- Approved a Preventive Maintenance Contract for Kitchen Equipment with Day X Night X Day in an amount not to exceed \$8,000 a year
- Approved \$1200 funding from Reserves for replacement umbrellas at the outdoor pool and Clubhouse Knoll.
- Approved changes to the 2024 Budgeted Repair/ Replacement Reserve and the Road Infrastructure Reserve
- Approved the purchase and posting of signs to announce the grand reopening of the Golf Course for play after regrassing is completed.

NOTE PR # 8. Revisions include combining all signs into one section, allowing additional bags for trash pickup of items too large for the standard container, revising how leases must be done and added a section of correct display of flags particularly the American Flag. Please read the entire policy to see all revisions. Questions can always be directed to the [boardofdirectors@heritagehunt.net](mailto:boardofdirectors@heritagehunt.net)

*Kathy Vergano - HOA Board President*

## DECLARE YOUR CANDIDACY

### IT'S YOUR TIME TO MAKE A DIFFERENCE!

We hope you were able to attend the annual "Meet the Board and Meet the Committees" event held on Friday, August 30. The primary purpose of the event was to provide current volunteers an opportunity to share with residents a deeper understanding of what their committees do to benefit the community; with the final objective being to recruit interested residents to fill the soon-to-be-vacated seats. To fully capture the essence of a particular committee, potential recruits are highly encouraged to attend a monthly meeting and to review minutes of prior meetings. Approved minutes are posted on the HOA website. For further information, you may email the Board of Directors and Committees at their respective addresses listed on Page 4 of this publication.

Declaration of Candidacy will open on Monday, September 9th at 8:30 am and close on Friday, October 11th at 5:00 pm. The Declaration of Candidacy Application can be found on page 7 of this publication, and also on the community website under the HOA tab, or at the Clubhouse Front Desk. A current photo should be included with your application. A portrait style, head and shoulder shot, of no more than 10 MB in size, is required. Submit your completed application via email to: [elections@heritagehunt.net](mailto:elections@heritagehunt.net) or drop off a hard copy at the Clubhouse Front Desk. Candidates must be a resident homeowner and in good standing with the Association.

The Annual Meeting Notice, including candidate bios and photos, a proxy envelope and voting instructions, will be mailed out in early November. On November 1st, residents will have an opportunity to meet the future leaders of Heritage Hunt by attending the "Meet the Candidates" event.

More information on this event will be provided in the October edition of The Heritage Horn.

We hope we have sparked an interest in you to serve this vibrant community. 26 open Board and Committee seats are on the ballot for the 2024 Annual Meeting and are as follows:

Board of Directors – 2 seats

Architectural Review – 3 seats

Budget & Finance – 3 seats

Community Relations – 3 seats

Emergency Preparedness – 3 seats

Facilities – 4 seats

Food & Beverage – 2 seats

Golf – 3 seats

Grounds – 2 seats

Investing & Cash Management – 1 seat

## ONLINE CLUBHOUSE PAYMENTS

We are happy to announce that a new feature allowing recurring online clubhouse payments is now available on the new website: [www.heritagehunt.net](http://www.heritagehunt.net)

**Please note that payments and transaction will not immediately appear on the website.**

Payments by check can still be delivered to the Marsh Mansion or the Clubhouse for same day processing if they are received by noon, payments received after noon will be posted the next business day. Payments are due upon receipt.

### Disputed Charges:

On the new web site you can now view your receipts and see the actual charges made to your account, which do not individually appear on your statement. We ask that you view the receipt online prior to submission of a disputed charge. Please contact the telephone number on your statement to request the dispute form, or email [clubhouseaccounts@heritagehunt.net](mailto:clubhouseaccounts@heritagehunt.net)

After we receive the dispute request, it is logged and forwarded to the appropriate department to address. Please note disputes must be submitted within the same month that payment is due.

If the dispute is found to be valid, the reversed charge(s) will appear on your next statement. To assist in the reduction of misapplied charges, please remember to verify your name & complete account number and sign your receipt at the time of the transaction.

## HH CAR CLUB

Owning and driving the car of my dreams is truly invigorating. Nevertheless, it is important to keep my “fast cat” looking beautiful. It’s just as important to make sure all the “bells and whistles” and special dates of inspection are also kept in check. I am so lucky to have good friends in Heritage Hunt to help me with these particular “odds and ends” and the best car shops for special projects.

That is why I have so much fun with the Heritage Hunt Car Club. Our Club President, Mark Hopkins, says “if you have a driver’s license, live in Heritage Hunt, or just appreciate cars, you can join the HH Car Club.” The club meetings are held the second Tuesday of every month from March through September in the Mountain View Room of the HH Clubhouse from 5:30 p.m. to 6:30 p.m. At 5:00 p.m., just before our meeting, HHCC members gather in the Clubhouse parking lot to socialize, to swap car stories, and to admire each other’s “pride and joy!” The August Club meeting reviewed the monthly “Car of the Month” award and discussed some administration changes. Our August Car of the Month Award was presented to Bob Moe and his gorgeous red BMW convertible. Bob provided a quick anecdote about his new car. “My first car was a 1931 Model A, painted fire engine red. In 1998, I purchased a 1985 BMW 325 hardtop. When I saw Tony Grayson’s red BMW BMW, he sold it to me. My first car was red and I like the idea that my last car is also red.” The Car Club also reviews the upcoming events for each month. In August, members had a “blast” at the historic Winery at La Grange in Haymarket, gathering under the trees, enjoying delicious food and drinks, and reconnecting with good friends.

At our recent HHCC show in the parking lot of the HH Mansion, we collected over 500 pounds of food for the Haymarket Pantry. Now they need egg cartoons. We hope our members will bring their egg cartoons to all of our meetings. ## COMMUNITY ADVOCACY GROUP

The Community Advocacy Group will meet on Thursday, September 26th at 4 PM in the Clubhouse Craft Room (lower level).

The purpose of the group is “to inform and interact with Heritage Hunt residents on issues where civic engagement is essential.” As industrial development encroaches upon us on all sides, it is imperative that we redouble our efforts to “live, work and play” in our neighborhood oasis.

Currently, our group is engaged in recruiting and assisting candidates for upcoming Heritage Hunt Board and Committee elections. Prospective candidates were invited to our August meeting to see how we could help them convey their message to our residents. In September, we will distribute a survey, the answers to which will help voters assess the degree to which prospective candidates’ views align with their own. Following that, the group may decide to make endorsements and participate in “get out the vote” efforts.

Our goal is to ensure viable candidates seek Board and Committee positions to provide effective leadership and oversight of our community.

Your views will positively affect the future direction of our community. If you’d like to contribute to neighborhood improvement, come and leverage the voices of sympathetic residents to elicit positive action. Opinions expressed will represent those of individual residents and do not necessarily reflect the views of the Heritage Hunt Homeowners Association. Stop by for a lively discussion.

## RESIDENT FORUM

### PROTECTING YOURSELF FROM SCAMS AND BAD ACTORS AND ESTATE PLANNING PROTECTIONS

Wednesday, September 4th @ 7:00pm  
Clubhouse Ballroom

Every day of the week we hear on the news about SCAMS, FRAUD, IDENTITY THEFT and many other types of financial fraud. Do you know how to prevent them, or what to do when we are faced with one of these situations? Have you been a victim of any of them? How about Estate Planning? Do you know everything about estate tax planning and everything that is involved to protect yourself?

**Jon Yankee**, a Partner and Wealth Advisor with CERITY PARTNERS, will provide different strategies and ways you can protect yourself from people who prey on the elderly, from on-line scams to other nefarious activities that trick people into making mistakes. His client experiences will shine a light on the risks we all face.

In addition to protecting from financial frauds, **Dan Vaughn** from VAUGHAN, FINCHER & SOTELO, Trust and Estate Attorneys, will discuss core issues in a comprehensive estate plan, such as incapacity protection, probate avoidance, distribution planning and estate tax planning, the "default" outcomes that occur without a plan in place, and many other topics that will give you the tools to construct effective planning solutions.

Join John Yankee and Dan Vaughn who have come to Heritage Hunt to provide you with a very interesting and informative evening.

## CROSSROADS CONNECTION

Crossroads' hundreds of students who are food insecure at local and nearby elementary, middle and high schools are back in their classrooms now for nearly a month. Crossroads aims to help all students who have requested support through their school counselors. In order to do that we need YOUR help with our drive-by FOOD DRIVE: Saturday, October 26, 9 am-1 pm in the Heritage Hunt Mansion parking lot.

We ask that you provide from the following list as you do your food shopping:

- MAC & CHEESE - individual microwave servings
- OATMEAL - individual servings
- GOLDFISH CRACKERS - individual servings
- APPLESAUCE CUPS- sugar-free individual servings
- FRUIT CUPS - individual servings

The students take all food home in backpacks and cannot carry cans and jars. If you are looking in your pantry to donate things you have on hand, please do not select heavy group serving sizes (metal/glass), and remember to check expiration dates for single serving sizes.

A Crossroads banner will be placed on the lawn in front of the Clubhouse to remind everyone. It will be visible about a week before the food drive.

Many thanks to all who plan to participate!

# EMERGENCY PREPAREDNESS COMMITTEE

September is National Preparedness Month, and the Heritage Hunt Emergency Preparedness Committee (HH EPC) would like to take this opportunity to remind all residents to prepare for disasters.

Your preparations may make the difference between life and death. It is ultimately our own responsibility.

**The acronym RNA is used in Emergency Preparedness to:**

**R – GET READY, N – GET NOTIFIED  
and to A – TAKE ACTION.**

## R – GET READY

- Stay informed of threats from weather, hazards, terrorism, power outages, and gas leaks.
- Make your family plan, places to meet, communications, safe rooms and evacuation plan. Including plans for pets.
- Plan for family with special needs. This includes medical devices and power backup for medical devices.
- Have a three-day emergency supply kit. This kit should include One gallon of water per person, per day. Non-perishable foods, utensils, medications, batteries, flashlights, battery-operated lanterns, first aid kit, toiletries, cell phones and chargers. It is also a good idea to invest in a NOAA weather radio. Also, include cash, medical and financial documents in case of evacuations.
- It is very important to update your smoke alarms and carbon monoxide (CO) detectors. It is NOT enough to change out the batteries. You need to change out the whole smoke alarm every 7-10 years. Also, be sure you have CO detectors that are up to date as well. Do not leave it to chance..... an old smoke alarm is NO good! It will not protect your life and the lives of your family. **UPDATE NOW!!!** There should be one smoke alarm on every level of the home and inside and outside each sleeping area.

• **FILE OF LIFE** is a way to communicate your medical needs to the first responders. It is so important that the people taking care of your medical needs know your medical history and the

medications you are taking. You may not be able to communicate with them. Our emergency responders know to look on the refrigerator to find these. So please set up your free File of Life. If you do not have one, please see the Front Desk at the Clubhouse.

• Free, Quarterly CPR classes are held here for residents (check the HORN for upcoming classes). Please arm yourself with these lifesaving skills. Remember, you are NOT liable when performing these lifesaving techniques.

• Sign up for local Emergency Prince William County alerts at [www.pwcgov.org/pwcan](http://www.pwcgov.org/pwcan)

## N – NOTIFIED

- Seek and help disseminate valid, accurate information.
- Listen/watch the HH T-Communicator, weather stations and radios.
- If you have signed up for the emergency PWC alerts, you will get accurate updated information that you can share with neighbors.

## A – ACTION

- For Fire, medical or police: Call 911.
- Follow emergency direction from your county authorities.
- Follow your family plan, do not panic.
- Take care of yourselves and family first, then help neighbors.

Most importantly, ensure your safety, Do Not become a victim.

If you would like to become more involved with Heritage Hunt's Emergency Preparedness, or would like more information, please contact Vic Crawford, the EPC Chair ([vcrawfordepc@gmail.com](mailto:vcrawfordepc@gmail.com)).

## FOOD & BEVERAGE COMMITTEE

In early August I had the pleasure of getting to know two key CulinArt staff leading the effort to reimagine our Red Oak Bar and Grill, Ryan Farrell and Nirav Desai. Both are seasoned professionals in their respective area. Ryan is our Executive Chef and leads all back-of-house (BOH) operations; everything that happens behind the scenes. Ryan's goal is to ensure excellent meals made with quality ingredients leave his kitchen.

Nirav, Director of Dining, is CulinArt's front-of-house (FOH) guy, leading all aspects of service interactions with Heritage Hunt residents. Both Ryan and Nirav come to us with tenure at other CulinArt Group or Compass Group (CulinArt's parent company) properties and it was interesting to learn what drove each of them to join the team at Heritage Hunt.

Like many of our residents, Ryan is a military veteran, having spent four years in the Navy, as he joked "driving an air craft carrier", or more correctly as a Helmsman on the USS Dwight D. Eisenhower. After leaving the Navy Ryan returned to his hometown of

Richmond, VA. He took a job at Edo's Squid, a Richmond insider's favorite. He quickly worked his way up, literally from dishwasher to chef, graduated with a degree in Culinary Arts, and trained under several notable Richmond chefs including David Dunlop, former chef de cuisine at the Inn at Little Washington. He met and impressed Lou Vogt vice president of CulinArt's catering division, who offered him a position as chef at the Bridgehampton Tennis and Surf Club in New York. He also led on NY culinary events including the prestigious Hampton Classic and United Nations Week. The largest event he's catered? Mt. Sinai's gala in Central Park for 1200!

Why did the opportunity to be on the Heritage Hunt CulinArt team excite him? Leading a scratch kitchen, where he developed all the recipes on site, while living closer to his family. Oh, and it didn't hurt that we are a golf and country club, as yes, he likes to golf in his spare time!

On to FOH with Nirav, our Director of Dining. Nirav talked about his vision for implementing quality of service wherever food is served, whether that be the restaurant, a picnic, or an event. With 20 years in the food and beverage industry, Nirav was

excited to hear about the opening with CulinArt at Heritage Hunt because it was even closer to home (he's just down the road in Aldie!) It was also exciting because it's a golf and country club and yes, you guessed it, he's a golfer as well!

Nirav's top priority is training all service staff to CulinArt standards. Nirav is stressing the importance of being visual and attentive to guests. He is working with staff to move them from reactive to proactive service. He demonstrated proactive service by describing the two minute – two bites restaurant rule. Servers are expected to check on the customer early to ensure the meal is as expected. Guests, he said, should know what to expect every time they come in and it should be excellent service.

Beer lovers, you're in luck, beer is his beverage of choice, specifically IPA. Look for the focus on fresh DMV ingredients to extend from the kitchen into the bar and a highly regarded local IPA may be on tap by the time this publishes!

## FACILITIES COMMITTEE

### ARTWORK FOR THE CLUBHOUSE

Choosing artwork for our beautiful Clubhouse lobby has taken a long time and much consideration because Facilities has a limited budget for accessories, and we wanted to make sure that we spent the funds wisely and made excellent choices which suited the new look.

The very first art we hung was the display in the Blue Ridge hallway showing historic maps of Virginia, symbols of the state bird, flower, and tree, even the state butterfly! We intended to continue the theme and select artwork for the lobby showing more about the regions of Virginia.

Eventually we made a start and chose the triptych for over the sectional, which really fit well in color and shape with a mixture of wood from the trees and just enough bits of color to make it interesting. The size fits the sectional so well. It is perfect! We love it!

The next challenge was to find two different pieces of art, one for each of the lobby stairway walls. Advice from experts said they should not be identical, but should have a relationship to each other, while blending in with the triptych pieces. I would imagine that we looked at 10,000 or more possibilities. We sat in the lobby staring at the walls while looking at possibilities on a computer; we asked friends and complete strangers for their opinions, we talked to the experts in the fine arts group, contracted the photo club for help. Thank you to all of you who so generously offered your advice! You helped more than you know!

Most shades of green do not mix well with the blues and grays of the furniture and carpet. Yellows don't work at all! The gorgeous mountain top vistas looked dark. Architectural scenes just did not look right...too much brick and red in older Virginia buildings and too much gray in newer ones. While we expected majestic blue skies and clouds would be suitable, blues seemed bland and that also eliminated the prominent river artwork of the James and Potomac. Lovely magnolias looked dull. Somehow, farm scenes of the Piedmont or Shenandoah Valley didn't suit the new lobby and beach scenes just looked out of place.

We have finally taken the plunge and ordered the two pieces of art for the stairway walls. I am not going to tell you what they are! You'll just have to wait and see, but they should be here by the time you read this. Please sit in one of the comfortable areas of our lobby and enjoy the space (and maybe a glass of wine?) and think how far we have come!

Facilities will still be adding additional accessories including a mirror over the chest by the sectional. With the remaining accessories budget, we hope to put some permanent furniture in the Blue Ridge Room and lower lobby. The thought is to continue the VA theme in the Blue Ridge and Mountain View Rooms. It seems natural that images from the other Virginia regions should be in rooms named after them!

Hard work? YOU BET! But it was fun, too, and the results really give you a feeling of accomplishment! But we're not done yet!

Please come on August 30 at 10:00 to Meet the Board and Committees. Learn more about what FACILITIES does and see why you might want to join this active group.

## FINE ARTS CLUB

**“Do this once a month and extend your life by up to 10 years. No gym required.”**

The above quote was the title of a recent article that stated “Making or appreciating art can improve your health, regardless of how much you know about it...Research shows that art experiences, whether as a maker or beholder, transform our biology by rewiring our brains and triggering the release of neurochemicals, hormones and endorphins.” (<https://www.cnn.com/2024/05/31/health/art-live-longer-wellness/index.html>)

Art is inherent and is one of humanity’s oldest endeavors. Paint was invented long before the wheel or pottery. Art was one of the earliest means of communication, long before writing. Art is part of Human Heritage and can be found throughout human history and across the globe.

Similar to nature experiences, art experiences can transport us away from everyday stresses and turn us toward something timeless and universal. Art is expansive, encompassing an endless variety of materials, styles, purposes and applications.

The Heritage Hunt Fine Arts Club has recently started to hold monthly Art Appreciation sessions, which are open to everyone. Programs may include talks from individual artists and presentations on art experiences, such as museum visits. Talks by artists may address their individual “art journey,” including inspirations, techniques and images of their art works. Sharing of art experiences can range from brief, informal discussions to formal presentations addressing aspects of the wide, wonderful world of art.

All levels of artists and art lovers are welcome, including those who are shy and inexperienced, but still “art curious.” Let’s get together to share

art inspirations and experiences and in the process maybe become a little more healthy.

### REDUCTIONS OF FOOD WASTE AND SUSTAINABLE DINING PRACTICES - THE CULINART WAY

Tuesday, September 24th @ 1:30pm  
Clubhouse Mt. View Room

Join us as Kellsey Reed, CulinArt's Regional Dietitian reviews how CulinArt works to reduce food waste in Heritage Hunt kitchens and other sustainable dining practices. CulinArt is our new Food & Beverage vendor and they are excited to share how they will benefit the Heritage Hunt community through their sustainability and wellness initiatives.

Kellsey will also go over her role as a CulinArt’s Regional Dietitian. So do save the date to come meet Kellsey and learn more about CulinArt and why you should plan to take advantage of the new food service.

## GENEALOGY CLUB

The Genealogy Club will meet on Monday, September 23, at 2 PM in the Mountain View Room. At this first club meeting after a 2-month summer break, club member Kathy Guess will give us a

video program, “Deciphering Old Handwriting for Ancestry Research.” As a member of the New England Historic Genealogical Society, whose well known website is [www.americanancestors.org](http://www.americanancestors.org), Kathy is able to present this wonderful program to our club.

Everyone who has engaged in researching their family history has encountered the difficulties of figuring out what the “weird” handwriting on musty, old documents is telling them. All of us will be sure to benefit from this program and perhaps be able to achieve success in deciphering the penmanship of decades and even centuries ago. Being able to comprehend what our ancestors actually “said” enables us to, in a way, communicate directly with them and the people surrounding them. It brings to life “musty” strangers whose genes are in us.

Genealogy is truly an endeavor that unites just about everyone who has dipped their fingers into the treasure trove our ancestors left behind. A perfect party icebreaker, family history discoveries can lead to new friendships, a fresh knowledge of history, and a greater appreciation of all the conveniences we 21st century “residents” enjoy. All of us have witnessed our friends’ excitement at learning they are descended from or related to famous people. Each of us has plenty of tales from the long dead to share with family members and friends.

Our Genealogy Club serves two functions: helping members expand their knowledge of how to effectively research their ancestors and encouraging others embark on their own ancestral voyage. We welcome all interested persons to come to our meetings and begin their own discoveries. For more information, please contact Bob Gawrelski at [bobgski@gmail.com](mailto:bobgski@gmail.com).

## THE GIVING CIRCLE OF HERITAGE HUNT

*"There is no health  
without mental health."*

David Satcher\*

The National Alliance on Mental Illness (NAMI) is the nation's largest grassroots mental health organization dedicated to building better lives for the millions of Americans affected by mental illness. NAMI Prince William (NAMI PW) provides free mental health awareness, education, support, and advocacy programs to people in Greater Prince William County and the cities of Manassas and Manassas Park. NAMI PW's vision is to foster a society where people with mental illness can develop their human potential.

NAMI PW received a grant from the **Giving Circle** in 2023 to help support their **Youth and Family Mental Health Awareness and Education** program. Two components of the program are:

1. The **Children's Challenging Behaviors** workshops focusing on helping caregivers distinguish between typical childhood behaviors and those that may require intervention and...
2. **Ending the Silence** presentations that raise awareness of warning signs of a mental health condition or a potential suicide, how to help a friend or family member, and how to approach a crisis.

On April 24, **The Giving Circle of Heritage Hunt** invited Pat Victorson, President of NAMI PW, to give a presentation about the successes of NAMI PW's programs and the difference our grant made in the lives of those who were helped. Quotes

from students who attended NAMI PW's programs are highlighted below. The April 24 meeting was open to all residents of the Heritage Hunt community and Giving Circle members.

In 2023, **The Giving Circle of Heritage Hunt** awarded \$91,700 to 17 different local charities, one of which was NAMI PW. Every dollar donated went directly into a grant to help those in need in the categories of – 1) food; 2) clothing; 3) shelter; 4) literacy; 5) mental health; and 6.) physical health. Next month, on October 24, when grants are again awarded, **The Giving Circle** hopes to do even more, due to an increase in membership and almost \$100,000 in grant donations.

If you are not a **Giving Circle** member, but would like to join, please give me a call at 703-743-2699. It would be my pleasure to talk with you and provide more information. *Georgiana Ide, Chair*

## GOLF ETIQUETTE 101 PART II

In the June edition of the Heritage Horn, Golf Etiquette 101 part I, we discussed the idea of adopting some of the more formal golf etiquette practices.

Now, as the course progresses towards re-opening for play, and golfers are eager to get back to play, it would be helpful to review that information. There are also golf etiquette practices regarding pace of play to include:

- Writing your scores down on the next tee box if golfers are waiting in fairway.
- Parking your cart/golf bag on the side of the green towards the next hole.
- Being ready to play when it's your turn. Don't sit in the cart while your playing partner is hitting. Get out and go to your ball, figure out what club you want to hit, and be ready when it's your turn.
- Playing forward, you'll score better and have more fun!
- Limiting the amount of time spent at the turn (between holes 9 and 10). Or let the group behind you play through.
- Limiting practice swings to 2. You'll be surprised at how much time practice swings adds to a round of golf and how much energy a golfer can conserve by not taking 3-4 additional swings before each shot.
- If your group is walking and there are 3 or 4 of you, If you're in a foursome, and group is struggling to keep the-pace-of play; consider sending the first person to putt out to the next tee box. Send the second to putt out to the next tee box as well, if you still need to gain a little time. The second to last person to putt out gets the flag. This practice can save 30 minutes in an 18 hole round. It's also the practice used by the American Junior Golf Association to maintain their impressive pace of play standards
- If you think you might not be able to find your tee shot and it would demand a "retee," go ahead and take a provisional shot so you don't have to walk back to the tee.

Any golfer, especially those new to the game and high handicappers, can feel free to play by their own drop rules in a casual round of golf with nothing on the line. The rules of golf can get complicated, but if you're new to the game, I'd recommend just dropping a ball where you think your ball went out of bounds and add a penalty stroke to your score. This won't necessarily allow you to keep an 'official' score, but you can still get a sense of how you're improving if always following your same 'rules.' Once you've developed your game, you can start strictly adhering to the official rules.

Finally, help others find their ball.

When playing in a group with other golfers, help them find their ball if yours is further than theirs or they're next to hit. You should also help look for where other players' shots travel when they hit them. Two pairs of eyes are always better than one.

It's easy to get wrapped up in our own games while on the golf course. We may be having a great time with our friends and not realize the group behind us has been waiting on every shot for 3 holes. As golfers, we have to do a better job of being aware of our surroundings and putting ourselves in others' shoes.

# LADIES 9-HOLE GOLF LEAGUE NEWS

It's early August and I have just returned from my wonderful vacation (in the Outer Banks of North Carolina with my son and his family), so I am trying to get slowly back into the golf mindset. I hear that the nine-hole ladies have been enjoying the different venues while our course is closed; and doing very well...even though it has been very hot! There were multiple birdies and chip-ins and some very low scores, so BRAVO! I want to give a "shout-out" to Linda Allardyce for a chip-in and 2 birdies on the same day! Wow, that is amazing! Roxanne will need to order some more award pins if this keeps up! As always, your recent birdies and chip-ins will be posted in the Clubhouse on our birdie tree as soon as I can get to it.

We played the Regency Course in Dominion Valley on Wednesday, August 7, and there were some very low scores – Margaret Swinney had a

40! After golf, six of us stayed and enjoyed lunch in the Regency dining room – Margaret, Candace, Lois, Marsha (Wolber), Avis and me. We also got to see and catch up with Brian, who used to run our HH dining facility.

By the time this article appears in the September Horn there should have been a Nine-Hole Chip & Putt event Thursday, August 15th held on the practice greens near the pro shop here at Heritage Hunt, with lunch in the clubhouse afterwards. I'll report later regarding the results of that event.

As always, I welcome any and all input regarding the golfing experience with the nine-hole group, so that I can report on our golfing news correctly. We have also been encouraged to take more photos of our group while golfing. Your photo may even make the cover of the Horn one day; but it needs to be "portrait" and not "landscape". Feel free to approach me on Wednesday mornings, call or email me with your thoughts.

I hope that you hit them long and straight and keep getting those birdies and chip-ins!

*Vicki Wafle - Secretary*

# HHWGA-18 LADIES OF LINKS NEWS

Our League is anxiously awaiting the re-opening of our Heritage Hunt course! We have all been watching as the new grass on the fairways sprouted and grew throughout the month of August. We weren't letting out golf games slack, though! We continued to play golf on other local courses.

We also enjoyed a fun social outing at Golf Spot29 in late July. Thanks to wonderful planning by Gigi Shanahan and Carol Petrizzo 10 of our 18-hole League members, along with 5 of the 9-hole League ladies had fun playing 18 holes on a Par 3 course in the bays at Golf Spot29. With screens in each bay to guide us, the challenge was ON! In teams of 3 we made our way through the "course" using the data on thee screens to help us know how long and in which direction we should hit our balls. After completing our round, we had lunch at the facility as we awaited the results of our friendly competition! While everyone was certainly a winner...Gigi and Carol made sure of that!...the overall winner with the lowest personal score was Pam McBride, with 5 under par! Pam and her team, Linda Cullen and Joan Patton, won the team competition, as well. A BIG "thank you" to Barry McMahon, Golf Instructor, and his assistants, Liam and Brandon for all they did to make our outing a huge success!

Pam McBride...overall winner at Golf Spot29!!

Another exciting event in July was our Tri-County League play at Fauquier Springs. We played against Piedmont on yet another hot day. Our ladies showed up and played well. Our team consisted of Bobbi Manley, Michele Reilly, Rose Ann Shelton, Margaret Dierdorff, Adrienne Mehl, and Libby Wolf.

Piedmont is considered the toughest team and they only got us by 1 point: Heritage Hunt 26.5 and Piedmont 27.5. And, drum roll, we are currently in 1st place.

## Current Standings

Heritage Hunt	85.5
Loudoun	84
Stoneleigh	82
Piedmont	81
Fauquier Springs	78
Montclair	75.5

As we anticipate the re-opening of our course and the resumption of our Wednesday Ladies' League play, remember to sign up each week no later than the Monday prior to our weekly League event.

If you are new to Heritage Hunt, or if you have been a resident for some time and would be interested in playing golf with our 18-Hole Ladies' League please contact me ([mdierdorff@comcast.net](mailto:mdierdorff@comcast.net), 703-743-2067) or learn more about the League by checking out our page on the HH Website:

## HH HIKING CLUB

Although the temperatures are still in the 90's and most of us are staying inside in the comfort of our air-conditioned homes, it's time to focus on getting outside to enjoy some exercise as the days turn cooler and fall colors begin to appear. The HH Hiking Club offers the perfect way to ease into the new season with both local hikes and some that are farther afield. We will begin our fall hiking season in mid-September with the first hike to take place right in our own backyard in the Conway Robinson State Forest.

Did you know that this forest is a 440-acre woodland oasis in our suburban area? The forest provides a blend of mature and immature hardwoods, pine plantations, rare plants and wildflowers. According to the website, some individual mature oak trees are more than 250 years old, dating back to the site's earliest settlement and cultivation in small farms.

Several streams are found on the property, and Little Bull Run bounds the forest on the north. A rock outcrop overlooking Little Bull Run may have provided shelter to Native Americans.

The property became a state forest in 1938, deeded by the Conway Robinson Memorial Park Association in memory of the late Conway Robinson. There was considerable reluctance in accepting the property, due to the belief that no one would ever use it. At the time of the gift, Route 29 was a single-track dirt road that was difficult to traverse, particularly in wet weather. How things have changed!

If you are new to Heritage Hunt or are just looking for a change in your routine, hiking with a group of like-minded individuals is a great way to make new friends, boost happiness, and build bone density without going to the gym. The northern Virginia area offers numerous trails of all degrees of difficulty, so we try to mix it up with a hiking schedule that can be enjoyed by the new as well as the experienced hiker. To see pictures from some of our past hikes, join the Heritage Hunt Hiking Group Facebook page at <https://www.facebook.com/groups/hhhikingclub>.

We will have a full hiking schedule from late September to mid-December, assuming the weather cooperates. There will be a fall schedule planning meeting on Wednesday, September 4, from 7 to 8 pm in the Craft Room of the Clubhouse. If you are interested in helping us develop the hiking schedule, or you wish to volunteer to lead a hike, mark your calendar and come to the meeting with information about your favorite hikes. We usually hike twice a month on Wednesdays on some of the many trails that are available in our local and state parks. We frequently make an optional stop at a winery or restaurant after the hike.

A meeting reminder email will be sent to all of those on the Hiking Club distribution list. To be added to the hiking contact list, please email [pthompson892@gmail.com](mailto:pthompson892@gmail.com). This will ensure that you receive the new Fall hiking schedule, reminders about upcoming hikes, as well as cancellation notices due to weather issues.

## LSTV CORNER

I would like to welcome our newest member, Bob (Ski). It turns out he likes to dabble in video editing and production. He should fit right in.

Under the stewardship of Mary Collins, it was posted, "what more can we be doing for our community". Meaning, with this incredibly brilliant and creative group of people we have at LSTV, how can we help solve some of our more vexing issues? One of those issues is how to get more people involved in our community. Things like concerts, restaurants, committees and groups would assuredly benefit.

**Note: I said restaurants above because if we can show we will use it, Culinart has proposed reopening the Tavern Snack Bar at Marsh Mansion.**

We have roughly 3,300 residents in HH. But roughly the same 300-350 people seem to be at all the events, eat in the restaurant and volunteer for committees. The goal of this undertaking is how we can use our wizardry with the available technology to bring more people out of their homes and have them engage with their community. Imagine having to make a reservation at our restaurant! That is the right kind of problem Culinart would love to wrestle with. Plus, it would give them more options.

The first question is the medium. What do our residents look at and pay attention to? Comcast channels 970, 971, and 972? E Communicator? The Horn? Word of Mouth? Do we pursue all residents, or do we resign ourselves to the fact that some people don't pay attention to or don't have access to any of the available mediums.

Keep in mind, the goal is not to get all 3,000 engaged, we understand that is like fairy dust. But what if we got 1 or 2 percent of those 3,000. Can you imagine having another 300 people engaged, eating in our restaurants, attending concerts and joining our committees?

We are still at the crawling stages of this adventure and several things will have to be okayed by the board. But we are thinking of using existing videos, taking new videos and making

them available to the widest swath of residents our board allows us to access. For example, we could create an easily accessible website available to HH members with links to videos of what is going on in our community.

The question is, which videos and which medium will cause this community to act, always keeping in mind, engagement is what we are hoping for.

We are entirely open to creative ideas. Please join us some Monday morning. We typically meet from 9:30am – 11:00am in the Mountain View Room.

### Where can you see our work?

We meet monthly, usually on the last Tuesday evening of the month. All Heritage Hunt residents are invited to visit and join HHPC.

On September 24th we will meet to socialize, view our members recent work and hear a talk on Abstract photography. From Janet Siters titled "Abstract Found and Created." For more info and to see more of our photos, access [heritagehuntphotoclub.org](http://heritagehuntphotoclub.org) on the internet or email our President at [Ken\\_Lyons@comcast.net](mailto:Ken_Lyons@comcast.net).

### Juried Exhibits

Several times each year members are invited to submit their selected works for a juried exhibit. The submitted images are reviewed by a Jury of members and outside photographers. A few are selected to be exhibited in the Virginia Dining Room. Several more are in a rotating exhibit in the Upper Lobby between the Dining Room and Ballroom.

### Marsh Mansion

After some time in the Dining Room and Upper Lobby, some of the prints are migrated to decorate the rooms in Marsh Mansion. After they have been viewed at Marsh Mansion, the prints are returned to the photographers.

### Lower Lobby

In a separate submission, members are invited to submit images to be hung in the Lower Lobby outside the Golf Shop. Members are free to submit their self-selected images to be hung. This exhibit is also rotated several times each year.

Please enjoy our work wherever it is displayed and join us at a meeting.

## PICKLEBALL CLUB

Meet Patricia Jo Elliot "PJ" who relocated to Heritage Hunt two years ago from Southern California. When she first visited HH, the golf course was packed, people were walking their dogs and there was active play on the tennis and pickleball courts.

Exactly the vibe and active community she was seeking to find. PJ's daughter and husband live

in Ellicott City, MD. Her son will start his senior year at George Washington University, this Fall.

PJ's career in education has spanned ages kindergarten through college as a teacher, coach, and administrator. She started teaching in Ohio, later moving to Illinois to pursue her Masters in Psychology & Sociology of Sport. She has coached college-level women's basketball as well as field hockey. Her field hockey team at Hobart & William Smith Colleges in Geneva, NY finished 2nd in the nation in the NCAA Division III Championship.

This past March, PJ and her daughter traveled to Peru. They spent time deep in the Amazon rain forest, experiencing unbelievable wildlife and stayed in an indigenous village high up in the Andes exploring and learning native customs and weaving. The highlight of the trip was hiking up Machu Picchu Mountain and exploring the ancient Inca ruins.

PJ loves all sports. In past years, she has competed on an intercollegiate level in tennis, field hockey, volleyball, basketball, and softball. Since moving to Heritage Hunt, she spends time playing pickleball, hiking, gardening, and competing on the HH "Hurricanes" bocce ball team. When PJ isn't working in her yard, spending time with family or working part-time at the Hylton Performing Arts Center, you can find her on the pickleball courts. She was first introduced to the sport via our free HH beginner clinics and found herself instantly "hooked." She continues to put time into the sport focusing on attending drill sessions, developing doubles strategy, and working on her overall game.

See you on the courts!

## RESIDENT ARTICLE

Last time I wrote to you, we discussed the new VFW Post in our area, well I have some news...I recently returned from the 125th National VFW Convention. Seven Hundred plus VFW delegates (who represent one and a half million VFW members worldwide) plus their leadership at every level, the VFW Auxiliary delegates, families and thirty Service Dogs descended ON Louisville for a five day conference. We were twenty five thousand strong for this event.

I know what you are thinking, boring right? Stodgy and Crusty? Well, we are in a new era of veterans after twenty five years of war. The average age is forty eight! What we did accomplish is secure and approve multiple bills which will be sent to Congress on subjects such as: MIA Recovery (eighty thousand MIAs still need to be recovered); concurrent receipt and other health benefits linked to aerial and ground based toxins. Two other measures came to the floor and the debate was so furious it threw the rest of the educational instruction and political bargaining off the schedule. Great laws to help our nation's veterans.

I do have some great news! As a result of the incredible work of VFW Post 12218, we were given the national "All American" Award from the VFW National Commander. As Past Post Commander I had excellent young leaders, and I felt it was time to STEP ASIDE and let them lead. The hallmark

of great leadership is knowing when to leave and doing so under your own power.

I thought my departure would give me more time for the HOA but, The Virginia State Commander drafted me to be the State Chaplain! I now have one hundred thirty nine Chaplains in thirteen statewide districts to lead and thirty six thousand members in my ministry.

**NOW FOR THE VFW PITCH:** Our monthly Post meeting is the second Saturday of every month at 10 AM at the Great Mane Brewery, 6620 James Madison Hwy, Haymarket, VA 20169-2713. Our business meeting is 59 minutes long and then the taps open at 11:00, followed by several hours of comradery. You know a Combat Veteran? Send them to us! We are also currently forming an Auxiliary because we are family friendly!

Want to know more? Contact me at [Chaplain@vfwva.org](mailto:Chaplain@vfwva.org) or 708-616-9060.

See you around the HOA.

## TEARS

Herluf Gyde Lund III (Gyde) peacefully passed away on July 6, 2024 at the age of 85 at his home in Heritage Hunt, in the company of loved ones.

He is survived by his beloved wife of 60 years, Dora; his children, Daniel (Jan), James (Diana), and Katherine

(Marc) Blondin of Manassas, VA; his siblings, Judy Williams, Jerry Lund and John Bryan and their families. He was preceded in death by his infant son, Christopher, sister Barbara Stephenson, and parents, Eugene Lund and Edith Bryan.

Born in St. Louis, Missouri Gyde's passion for nature and the woods was evident from a young age. After high school, he joined Army ROTC, and earned a Bachelors of Science in Forest Management from Utah State University. Upon serving two years of active duty in the US Army in Germany as an Imagery Interpretation Officer, he married Dora in her home country of Costa Rica.

While employed as a civil servant, and raising a young family, Gyde earned a Masters of Science in Forest Fire Sciences and Remote Sensing from the University of Washington.

Gyde went on to have an illustrious career with the Bureau of Land Management, and US Forest Service, where he worked in nearly every aspect of forest inventory; from being a crew member in the Alaska wilderness to heading up the timber inventories on national forest parks. As an expert in his field, Gyde authored more than 150 publications on the subject of forest inventory in remote sensing. He was a mentor to many and shared his knowledge with peers around the world. After retiring, he served as a consultant on significant projects for the United Nations Environment Programme, the International Panel on Climate Change (IPCC), and other international organizations. He was honored with a lifetime achievement award presented by the University of Washington in 2000, and with an official recognition for his contributions to the work of the IPCC, which was bestowed with a Nobel Peace Prize in 2007.

In his personal life, Gyde was humble and introverted – a keen observer of the world, who found true joy in the small pleasures of life. He was the type of person who preferred an old rustic cabin in the woods to a glitzy hotel; a chuckwagon dinner, reminiscent of the Old Wild West than to dining at a Michelin-rated restaurant; and the serenity of a ponderosa pine forest in the mountains to the hustle and bustle of the big city. Gyde possessed a sharp wit and dry humor. He often displayed his love for friends and family by cooking and sharing delicious meals with them. St. Louis style BBQ ribs were his specialty. He travelled the world with Dora for work and pleasure, and shared their adventures with others via lovingly created reports and slideshow presentations.

To maintain a bond with nature in retirement, and share this enthusiasm with others, Gyde enjoyed the hobby of handcrafting walking sticks out of the local forest dead wood and selling them at the Heritage Hunt craft shows. He was often found at the clubhouse pool every morning swimming laps to keep in shape, part of an unofficial swim team with other early risers. With Dora, Gyde loved taking part of the yearly charity walks through the Heritage Hunt neighborhood. Always looking forward to new charity walk shirt designs, as a 21 year resident of Heritage Hunt, he had quite the collection!

His legacy is one of dedication and kindness, a deep love for his family, and a hope of harmony for mankind. A beloved husband, father, brother, and accomplished forester, Gyde will always be remembered and greatly missed.

A private dinner will be held to honor Gyde's life, per his wishes. In lieu of flowers the family kindly requests that a tree be planted in Gyde's memory, but no doubt he'd prefer a forest.

## HH CHAPTER OF THE AMERICAN WINE SOCIETY

When we moved from New Jersey to Virginia almost seven years ago, our NJ friends asked -, “So where in Virginia will you be?” I had a couple of answers. “Oh, we’re just outside of DC” (an hour or three depending on the day) was one.

“We’re the town right after Manassas, you know the Battle of Bull Run,” was another. And my most clever (or at least so I thought) was, “Well, we are right at the beginning of the very mediocre Virginia Wine Trail.” Chuckles all around.

It goes to show how little I knew about Virginia wine and how much I’ve learned in the ensuing years. This summer Virginia wines have been all over the news. The Wall Street Journal recently featured a great article entitled, America’s Next Great Wine Destination? Northern Virginia!

“Within driving distance of Washington DC, there’s a wine region you’ll want to get to before the crowds do, offering a warm welcome and winemaking that leans more European than California. And the prices aren’t bad either.”

The author then goes on to extol the virtues of Delaplane Cellars and Linden Vineyards. We all know there are many more she could have written about.

Wine Enthusiast magazine featured an article, The Best Virginia Wineries to Visit Now, According to Industry Insiders. While many of the wineries featured were in the Monticello AVA, NOVA wineries mentioned included RdV and Walsh Family Wines.

“Virginia is a great destination for wine lovers,” adds Craig Chamberlain, Wine Enthusiast’s senior tasting coordinator and Virginia wine reviewer. “You can vary from classic style Bordeaux and Rhône varietals to newer grapes to the region, such as Albariño. The wineries really take the time to educate their staff to give you an unforgettable experience. Virginia also has some fantastic restaurants with great sommeliers that really know the wines to create excellent pairings.”

So get out and explore. When my old friends now ask what’s so great about Virginia, I’m proud to answer - gorgeous scenery, great dining and really exceptional wine!

*Cheers! Anne Burns*

## WOODSHOP NEWS

A couple of years ago, HH homeowner, Joe Beres, took the Basic Woodworking Class taught by Bob Rogers, Andy Johnson, and J.C. Evans. Since then, he has remained active with woodworking.

Recently, his daughter asked if he would make a charcuterie board for her kid’s silent auction fundraiser. Joe looked over his leftover boards and checked out the trash boxes in the woodshop for useful pieces and made the charcuterie board shown below. The whole center section was made from wood from the woodshop trash boxes. Woods used in making the board include ambrosia maple, maple, walnut, cherry, and paduk.

## HERITAGE HUNT WOMEN'S ORGANIZATION (HHWO)

The month of September always signals the end of summer, and that triggers the old fashion rule, "No white after Labor Day!" The famous French designer, Coco Chanel repealed that rule and continued to create incredibly gorgeous white fashions all year-long! "Women think of all colors except the absence of color. I have said that black has it all. White too! Their beauty is absolute. It is the perfect harmony." I totally agree!

The month of September, Tuesday, September 10th, also ushers in the beginning of HHWO's new year of sponsoring exciting and educational programs, redeveloping great friendships, and providing wonderful funding for local charities. We, in Heritage Hunt, live in a community filled with fascinating residents who have retired from incredible careers. Our September Program promises to hit the spot! Dr. Don Wilson is the Curator Emeritus of Mammals for the Smithsonian Museum of Natural History – Our Nation's Treasure Trove and Cultural World Icon. Dr. Wilson has published more than 270 scientific publications, including 30 books on mammals, and will provide an in-depth analysis of the Smithsonian's history and its current status on the world stage.

Our dedicated Lunch Ladies, Harolyn Small and Lynn Dosey, have been working with our new chef to prepare a delicious luncheon menu. The shared appetizer is brie en croute with crackers and dried fruit. The buffet is garden salad, balsamic chicken, haricot vert almondine, and rice pilaf. For dessert, the chef will prepare a sumptuous key lime pie.

On Tuesday, October 1st, HHWO is sponsoring "Giving Back with Music II," with another fabulous resident, Linda Allardyce, a world renowned concert pianist. Linda will share her love of music by performing classical and contemporary music selections at the Heritage Hunt Ballroom, with theatre seating, a cash bar, and doors opening at 6:45 p.m. Cash and checks made out to HHWO are welcome and these donations will provide necessary funding for local charities.

As the song goes, "See You in September!"

► **HH WOODCARVERS** meet every Tuesday in the Clubhouse Craft Room from 12:30 PM to 3:30 PM. If you would like to try something to do that is different from what you tried before, try woodcarving. You don't need to go to a wood supply store and pay \$85 dollars for the basic instructions. We do it here at Heritage Hunt at no cost to you to try and learn. Beginning and experienced carvers, women, and men are welcome. There is no cost to you as we provide the knife, glove, wood, and lessons for your first project which is usually a dog or stylized duck. You may see some of the carvings completed by carvers here at HH in the display case in the lower lobby next to the UTP office downstairs. Contact J.C. Evans, 703-743-1321 or Jon Crissey, 703-743-1317.

► **HH WOODWORKERS** meets 2:30-4:00 PM the 2nd Thursday of each month, usually in the Clubhouse Mt. View Room. The purpose of the Group is to assist the community in maintaining and operating the woodshop so residents have a place to work on personal projects, on projects for the HH community, and for local charities. The Group also provides a forum where residents can increase their woodworking knowledge and skills. Contact Andy Johnson at 703-743-5181 or Ross Kerr at 860-508-0652 about joining the WWG. Contact Bob Rogers at 703-609-2924 about classes.

A group of 21 friends from Victory Gallop Way and Box Elder Loop met to get to know each other better and try the new menu from CulinArt, our new restaurant managing company. The dining experience was totally enjoyed by all. The group looks forward to expanding to include more neighbors from these two blocks. What a way to have a truly great meal, build friendships and welcome newcomers!
